ROTTERDAM, 12 JUNE 2007

SMIT obtains contract in Angola

SMIT and her partner Octomar Serviços Marítimos Lda have been awarded a contract for BP's Greater Plutonio Development, Block 18, offshore Angola.

A new build floating production, storage and offloading (fpso) vessel will be moored at a water depth of 1310 metres.

Amongst others, the contract consists of the following services: berthing and unberthing of export tankers, fire-fighting, oil spill control and safety standby, pilotage, mooring and loading supervision, inspection, repair and maintenance of the offloading hoses and buoy. A new build offloading support tug, a workboat and a mooring assist vessel will be deployed.
