

Galapagos raises \$300 million gross proceeds in a U.S. public offering

Mechelen, Belgium, 13 September 2018, 03.00 CET, regulated information – Galapagos NV (Euronext & NASDAQ: GLPG) announced today the pricing of its U.S. public offering totaling \$300 million gross proceeds of 2,575,107 new ordinary shares in the form of American Depositary Shares ("ADSs") at \$116.50 per ADS, before underwriting discounts.

In addition, Galapagos has granted the underwriters an option to purchase up to an additional 386,266 ADSs, representing 15% of the ADSs placed in the offering. This option can be exercised during the 30 day period commencing 12 September 2018.

The closing of the offering is expected to occur on 17 September 2018, subject to customary closing conditions.

Each of the ADSs offered in the offering represents the right to receive one ordinary share.

Galapagos' ADSs are currently listed on the Nasdaq Global Select Market under the symbol "GLPG" and Galapagos' ordinary shares are currently listed on Euronext Amsterdam and Euronext Brussels.

Morgan Stanley and Citigroup are acting as joint book-running managers for the proposed offering. Co-managers include Kempen, Nomura/Instinet, and Stifel.

The securities are being offered pursuant to an automatically effective shelf registration statement that was previously filed with the Securities and Exchange Commission (SEC). A preliminary prospectus supplement relating to and describing the terms of the offering was filed with the SEC on 12 September 2018. The final prospectus supplement relating to the offering will be filed with the SEC and will be available on the SEC's website. When available, copies of the final prospectus supplement and the accompanying prospectus relating to these securities may also be obtained from Morgan Stanley & Co. Forward-looking statements

This release may contain forward-looking statements, including statements regarding the proposed timing and completion of the offering. Forward-looking statements may involve known and unknown risks, uncertainties and other factors which might cause the actual results, financial condition and liquidity, performance or achievements of Galapagos, or industry results, to be materially different from any historic or future results, financial conditions and liquidity, performance or achievements expressed or implied by such forward-looking statements. In addition, even if Galapagos' results, performance, financial condition and liquidity, and the development of the industry in which it operates are consistent with such forward-looking statements, they may not be predictive of results or developments in future periods. Among the factors that may result in differences are the inherent uncertainties associated with competitive developments, clinical trial and product development activities and regulatory approval requirements (including that data from Galapagos' ongoing clinical research programs may not support registration or further development of its product candidates due to safety, efficacy or other reasons), Galapagos' reliance on collaborations with third parties, and estimating the commercial potential of its development programs. A further list and description of these risks, uncertainties and other risks can be found in Galapagos' Securities and Exchange Commission (SEC) filings and reports, including in Galapagos' most recent annual report on Form 20-F filed with the SEC and other filings and reports filed by Galapagos with the SEC. Given these uncertainties, the reader is advised not to place any undue reliance on such forward-looking statements. These forward-looking statements speak only as of the date of publication of this document. Galapagos expressly disclaims any obligation to update any such forward-looking statements in this document to reflect any change in its expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based or that may affect the likelihood that actual results will differ from those set forth in the forward-looking statements, unless specifically required by law or regulation.
