

KARDAN N.V.

TAHAL AWARDED A NEW PROJECT IN INDIA

Amsterdam, February 26, 2018 - Kardan N.V. ('Kardan' or 'the Company'), active in Real Estate and Water Infrastructure in emerging markets announces that its (indirect) subsidiary Tahal Consulting Engineers India Private Ltd. ('Tahal India') was awarded a project in the city of Bangalore, in the Karnataka province, India, for a total amount of approximately USD 28 million (EUR 23 million).

The project consists of the renewal, expansion, upgrading and operation of a water supply network, to which 42,000 households will be connected ('the Project').

The Project includes a first phase of planning and construction over a 36-month period, followed by an operation and maintenance phase of an additional 12 months after handing over.

The total compensation for the Project is approximately USD 28 million (EUR 23 million). The payment terms are linked to agreed performance milestones throughout the duration of the projects, and an advance of 5% of the Project consideration.

This is the seventh project signed by Tahal in India, of which four turn-key projects and one natural gas project were awarded in 2017. This new project award brings the total amount of orders awarded to Tahal over the last three years to more than USD 240 million (EUR 195 million).

DISCLAIMER

This press release contains forward-looking statements and information, for example concerning the financial condition, results of operations, businesses and potential exposure to market risks of Kardan N.V. and its group companies (jointly "Kardan Group"). All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements (including "forward looking statements" as defined in the Israeli Securities Law). Forward-looking statements are statements of future expectations that are based on management's current expectations and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in these statements. These forward-looking statements are identified by the use of terms and phrases such as "anticipate", "believe", "could", "estimate", "expect", "intend", "may", "plan", "objectives", "outlook", "probably", "project", "will", "seek", "target", "risks", "goals", "should" and similar terms and phrases. A variety of factors, many of which are beyond Kardan Group's control, affect our operations, performance, business strategy and results and could cause the actual results, performance or achievements of Kardan Group to be materially different from any future results, performance or achievements that may be expressed or implied by such forward-looking statements. For Kardan Group, particular uncertainties arise, amongst others but not limited to and not in any order of importance, (i) from dependence on external financing with the risk that insufficient access to capital threatens its capacity to grow, execute its business model, and generate future financial returns (ii) from concentration of its business in Central Eastern Europe and China as a result of which Kardan Group is strongly exposed to these particular markets (iii) from risks related to the financial markets as a result of Kardan N.V.'s listings on Euronext Amsterdam and the Tel Aviv Stock Exchange and (iv) from it being a decentralized organization with a large number of separate entities spread over different geographic areas in emerging markets, so that Kardan Group is exposed to the risk of fraudulent activities or illegal acts perpetrated by managers, employees, customers, suppliers or third parties which expose the organization to fines, sanctions and loss of customers, profits and reputation etc. and may adversely impact Kardan Group's ability to achieve its objectives and (v) from any of the risk factors specified in Kardan N.V.'s Annual Report and in the related "Periodic Report" (published by Kardan N.V. in Israel) published in April, and which is also available at the Kardan website. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the relevant forward-looking statement as expected, anticipated, intended, planned, believed, sought, estimated or projected. Kardan N.V. does not intend or assume any obligation to update or revise these forward-looking statements in light of developments which differ from those anticipated.
