

## PRESS RELEASE

### ACQUISITION OF O. DE LEEUW GROENTECHNIEK COMPLETED

Royal Reesink is pleased to announce that the acquisition of O. de Leeuw Groentechniek B.V. was completed today. After completion of the legal merger, the new organisation will continue trading under the name of Stierman De Leeuw B.V.

From Apeldoorn, Stierman De Leeuw will offer a complete range of machinery, fittings and parts in the Forest, Garden and Park Management market through resellers.

#### **Profile of O. de Leeuw Groentechniek B.V.**

O. de Leeuw Groentechniek is part of the O. de Leeuw Group, which has also existed for over 200 years, and imports a complete range of quality machines from top brands for Forest, Garden and Park Management for professional and private use. With nine employees, the company achieved revenue of nearly €3.5 million in 2013.

See [www.odeleewgroentechniek.nl](http://www.odeleewgroentechniek.nl) for further information.

***This press release is published in both Dutch and English. In case of conflict between the Dutch and the English version, the Dutch version shall prevail.***

Apeldoorn, 7 Oktober 2014

The Management Board of Royal Reesink N.V.

**Profile of Royal Reesink**

Royal Reesink focuses on two segments: Reesink Equipment and Reesink Industries.

In Reesink Equipment, our businesses are involved in the distribution of leading brands and/or the delivery of strong concepts for agriculture and horticulture, landscape maintenance, material handling and civil engineering. The products are supplied either directly or through dealers to farmers, contractors, green area companies, golf courses, municipalities, government bodies, water boards, foresters and logistics customers operating in the food & agri, non-food, industrial, transfer (harbours) and civil engineering sectors.

In Reesink Industries, our businesses are involved as a distributor of steel, personal protection items and hydraulic components and systems. In this segment, we supply mainly steel manufacturers, building sites, installation production companies, technical wholesalers, the offshore and shipping industry, machinery manufacturers and the agricultural industry.
