

PRESS RELEASE

13 October 2009

## Imtech updates financial market about its Nordic business

**Gouda – Today Imtech (technical services provider in Europe) organises its analysts day in Sweden to inform analysts about the Nordic business environment for Imtech.**

In Imtech's strategic plan for 2012, Scandinavia is one of the geographical growth areas. Last year, Imtech acquired NVS the number three player of the Nordic mechanical and electrical engineering market. At today's analysts meeting, Imtech Nordic management will present how to maintain its high margins within its businesses and realize further growth in the current market environment.

The presentation of the Imtech Nordic management team will be published at 12.00h (CET) on the website of Imtech.

### **Imtech profile**

*Imtech N.V. is a European technical services provider in the fields of electrical engineering, ICT and mechanical engineering. With over 22,500 employees, Imtech achieves annual revenue of around 3.8 billion euro. Imtech holds strong positions in the buildings, industry and infrastructure/traffic markets in the Netherlands, Belgium, Luxembourg, Germany, Eastern Europe, Nordic, the UK, Ireland and Spain and in the global marine market. In total Imtech serves 19,500 customers. Imtech offers added value in the form of integrated and multidisciplinary total solutions that lead to better business processes and more efficiency for customers and the customers they, in their turn, serve. Imtech also offers solutions that contribute towards a sustainable society, for example in the areas of energy, the environment, water and mobility. Imtech shares are listed on the Euronext Stock Exchange Amsterdam, where Imtech is included in the Midkap Index. Imtech shares are also included in the Dow Jones STOXX 600 index.*
