

PRESS RELEASE

Share Buyback Transaction Details December 22 - 28, 2016

December 29, 2016 – Wolters Kluwer today reported that it has repurchased 258,415 of its own ordinary shares in the period from December 22, 2016 through December 28, 2016 for €8.9 million in total and at an average share price of €34.36.

These share repurchases are part of the three-year (2016-2018), up to €600 million buyback program announced on February 24, 2016. The total number of shares repurchased under the €600 million buyback program to date is 5.8 million shares for a total consideration of €198 million.

Wolters Kluwer has committed itself to the repurchase of ordinary shares for a maximum total consideration of €95 million in the period November 3, 2016 up to and including December 30, 2016, for capital reduction purposes or to meet obligations arising from share based incentive plans, within the limits of relevant laws and regulations and Wolters Kluwer's Articles of Association.

PRESS RELEASE

Forward-looking Statements and Other Important Legal Information

This report contains forward-looking statements. These statements may be identified by words such as “expect”, “should”, “could”, “shall” and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

This press release contains information which is to be made publicly available under Regulation (EU) 596/2014.
