

### **Conan Exiles released on Xbox Game Preview**

The game Conan Exiles has today, as planned, been released on the Xbox One platform under the “Game Preview” program.

Additionally, “The Frozen North” expansion update was released on both Xbox One and PC today. The update adds new content and features. The release on Xbox One and the release of the expansion update marks an important milestone in the development of Conan Exiles as the Company prepares for full release in 1Q 2018 on PC, Xbox One, and PlayStation 4.

A full press release on the subject, including a launch trailer for Xbox One and "The Frozen North" can be read in the "News" section on the Funcom website.
