

PRESS RELEASE

CORPORATE EXPRESS NV AGM RESOLUTIONS

Amsterdam, the Netherlands, 9 April 2008 - The Annual General Meeting (AGM) of Shareholders of Corporate Express NV adopted the company's financial statements for 2007.

Dividend

The AGM approved the proposal to pay a dividend of EUR 0.21 per ordinary share. The dividend on ordinary shares will be paid either wholly in cash or in new ordinary shares, at the option of the shareholder, and will be debited to the share premium reserve.

Corporate Express' ordinary shares will be quoted ex-dividend as of Thursday 10 April 2008. There will be no trading in dividend rights. The selection period runs from 15 April to 22 April. The dividend on ordinary shares will be payable as of 24 April 2007.

Remuneration

Considering the recent public debate on the remuneration for executive board members and given the reactions the company received from shareholders with respect to the remuneration proposals (2a and 2b) on the agenda, the Supervisory Board has stated it will reconsider these proposals and come back to the shareholders' meeting at a later stage. These proposals have therefore not been voted on in the meeting.

Note to the editor

Corporate Express is one of the world's leading suppliers of office products to businesses and institutions. The Company has a widespread global proprietary distribution network spanning North America, Europe and Australia, with approximately 18,000 employees working from more than 350 locations in 21 countries. In 2007 the Company generated sales of EUR 5.6 billion. On October 1, 2007, the new management of Corporate Express announced the outcome of a strategic review designed to fully unlock the potential of the Group and its valuable international market positions, create growth and improve shareholder value. While the Company is aware of current economic conditions, it is confident that it is on track towards achieving its targets of an average annual organic sales growth of at least 6% for its Global Office Products business for the period 2008-2010. The Company expects to generate EBITDA margins of at least 7% from Global Office Products, including overhead costs.
