# Michelle Lesh to step down as Chief Commercial Officer

**Michelle Lesh, Chief Commercial Officer at Alfen, has decided to step down as per the 31st of March 2025. Michelle joined Alfen in 2021, leading the commercial and business development teams across the company's three business lines.**

Marco Roeleveld, CEO of Alfen: "With her experience, insights and energy, Michelle has led Alfen's commercial success over the last four years through a phase of accelerated growth across Europe. Now, as Alfen proceeds to focus on select core markets Michelle has decided that a CCO with a different profile better suits this next phase of the company. We thank Michelle for her valuable contributions to Alfen and wish her well in the next steps of her career."

Going forward, the Management Board will be formed by the two statutory directors Marco Roeleveld, CEO and Onno Krap, CFO.

### *About Alfen*

Netherlands-based Alfen is operating internationally in the heart of the energy transition, as a specialist in energy solutions for the future. With over 85 years of history, Alfen has a unique combination of activities.

Alfen designs, develops and produces smart grids, energy storage systems, and electric vehicle charging equipment and combines these in integrated solutions to address the electricity challenges of its clients. Alfen has a market leading position in the Netherlands and experiences fast international growth benefitting from its first mover advantage. For further information see Alfen's website at: [www.alfen.com](http://www.alfen.com).
