## DSM-Firmenich update on public exchange offer process

On 31 May 2022, DSM and Firmenich announced that they have entered into a business combination agreement to establish the leading creation and innovation partner in nutrition, beauty and well-being. The merger is to be effected through a public offer for all issued and outstanding ordinary shares in the capital of DSM in exchange for DSM-Firmenich shares (1:1 exchange ratio) (the "Offer") and contribution of Firmenich shares to DSM-Firmenich in exchange for DSM-Firmenich shares and €3.5bn in cash (subject to potential adjustments).

Pursuant to Section 7, paragraph 1 sub a of the Netherlands Decree on Public Takeover Bids (*Besluit openbare biedingen Wft*), which requires a public announcement containing a status update on an intended public offer within four weeks after its initial public announcement, DSM and Firmenich provide the following joint update on the Offer, also on behalf of DSM-Firmenich.

DSM and Firmenich confirm that they are making good progress on the preparations for the Offer. It is expected that an offering circular that will serve both as an offer memorandum for the Offer and as a prospectus for the offering and admission to listing and trading of DSM-Firmenich shares on Euronext Amsterdam (the "Offering Circular") will be submitted for review and approval to the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the "AFM") in August and in any event no later than 23 August 2022, which under the applicable Dutch rules is the last permissible date for submitting the offer memorandum for the Offer to the AFM for approval.

DSM and Firmenich currently anticipate that the proposed combination will close in H1 2023.

This announcement, the Offering Circular and other documents relating to the proposed combination have been, or will be, prepared in accordance with European and Dutch law and European and Dutch disclosure requirements, format and style, all of which differ from those in the United States. The proposed transactions referred to herein and the information to be distributed in connection therewith, including the proposed Offer and related shareholder vote and any related corporate transactions, are subject to disclosure, timing and procedural requirements and practices applicable in Europe and the Netherlands, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules, provided that the Offer will comply with the relevant US tender offer rules set out in Regulation 14E under the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules thereunder.*

*The securities referred to herein and to be issued pursuant to the proposed Offer have not been, and are not presently intended to be, registered under the Securities Act of 1933, as amended (the "Securities Act") or under any laws or with any securities regulatory authority of any state, district or other jurisdiction, of the United States, and unless so registered may only be offered or sold pursuant to an exemption from, or in a transaction*

not subject to, the registration requirements of the Securities Act and in compliance with any applicable state and other securities laws. There is not presently expected to be any public offer of any securities in the United States.
