1. INTRODUCTION

Dear Shareholder,

On 23 December 2016, NN Group and Delta Lloyd jointly announced that they reached conditional agreement in connection with a recommended public cash offer by NN Group for all Shares at a cash offer price of EUR 5.40 per Share (cum dividend).

Today we are publishing our Position Statement, on the day on which the Offer Memorandum is also published.

Before reaching the conditional agreement, the executive board of Delta Lloyd (the **Executive Board**) and the supervisory board of Delta Lloyd (the **Supervisory Board**, and together with the Executive Board, the **Boards**) made a thorough assessment of the Offer versus the standalone alternative and other strategic alternatives, weighing up the interests of Delta Lloyd and its stakeholders, including the Shareholders. The Boards have followed a comprehensive process and have given careful consideration to determine the best strategic option for Delta Lloyd. During this process, which is outlined in this Position Statement, we received extensive advice from our financial and legal advisors. We find it important to share with you our considerations, views and recommendation with respect to the Offer and the Legal Merger in this Position Statement.

Subsequent to the joint announcement by NN Group and Delta Lloyd, the works council of Delta Lloyd (the **Works Council**) was informed of the Offer and the Legal Merger. The Works Council was requested to render its advice, which has in the meantime been obtained.

The Boards have duly considered the Transaction and have, subject to the terms and conditions of the Offer Memorandum resolved to support the Offer and the Legal Merger, recommend to the Shareholders to accept the Offer and to tender their Shares pursuant to the Offer, and recommend that the Shareholders vote in favour of all resolutions proposed in relation thereto at the two extraordinary general meetings of shareholders to be held on 29 March 2017 at the Hilton Hotel, Apollolaan 138 in Amsterdam, The Netherlands (the **EGMs**). The EGMs are an important event for Delta Lloyd and its Shareholders. During these meetings you will, among other things, be informed about the Offer and be able to vote on the Legal Merger.

We look forward to welcoming you on 29 March 2017.

Yours sincerely,

Rob Ruijter
(Chairman of the Supervisory Board)

Hans van der Noordaa
(Chairman of the Executive Board)

2. DECISION-MAKING PROCESS BY THE BOARDS

2.1 Background NN Group

This paragraph contains a non-exhaustive description of the material contacts between representatives of Delta Lloyd and NN Group that resulted in the signing of the conditional agreement (the **Merger Protocol**).

Following the rights issue in March 2016, the Boards were focused on implementing Delta Lloyd's strategy and delivering on its priorities: capital, performance and customers.

NN Group approached Delta Lloyd on 18 September 2016 expressing its interest in a potential acquisition of Delta Lloyd's businesses and operations, to create, among others a market leader in pension provision, life insurance, asset-management and non-life insurance in the Netherlands (the **Combination**). On that same day, NN Group sent Delta Lloyd an initial detailed, but conditional proposal for effecting the Combination through a (recommended) public offer for the entire issued and outstanding ordinary share capital of Delta Lloyd (the **Offer**) and invited the Boards to meet on Saturday 1 October or earlier.

The Boards considered whether any of its members had a conflict of interest and established that this was not the case. In order to cater for a proper decision-making process, the Boards discussed and decided on an effective, legitimate allocation of responsibilities in line with Delta Lloyd's Defence Manual. The Boards appointed a transaction committee (the **Transaction Committee**) consisting of Mr Rob Ruijter, chairman of the Supervisory Board, Mr Hans van der Noordaa, chairman of the Executive Board, Mr Clifford Abrahams, Chief Financial Officer and member of the Executive Board, Ms Ingrid de Graaf, member of the Executive Board,¹ Ms Annemarie Mijer, member of the Executive Board and Chief Risk Officer and Mr Leon van Riet, member of the Executive Board to make *recommendations* to each of the Boards in relation to the review of Delta Lloyd's strategic alternatives, NN Group's initial proposal and potential alternative transactions. The full Supervisory Board remained actively involved throughout the process. The discussions within the Supervisory Board were *prepared* by the Transaction Committee, but the authority to adopt decisions rested solely with the Boards. All actions of Delta Lloyd in connection with the Offer were taken after careful deliberation by each of the Boards, and after considering the advice rendered by Delta Lloyd's advisors.

The Boards retained as external professional advisors Goldman Sachs International (**Goldman Sachs**) as financial advisor and Allen & Overy LLP (**Allen & Overy**) as legal advisor. Goldman Sachs and Allen & Overy also supported the Transaction Committee.

The Boards and the Transaction Committee started to carefully consider the various aspects and implications for Delta Lloyd's stakeholders, including its Shareholders, employees and customers of NN Group's conditional proposal, taking into account the interests of Delta Lloyd and all its stakeholders, including the Shareholders. Both Boards and the Transaction Committee, with the assistance of their financial and legal advisors, intensively discussed the merits of the potential Combination and the execution risks involved.

The Boards, after due and careful consideration and limited interaction with NN Group, decided that NN Group's proposal substantially undervalued Delta Lloyd and its prospects at that time and rejected NN Group's proposal in a letter dated 30 September 2016.

Indicating that it was doing so in the interest of reaching agreement, in a letter dated 2 October 2016, NN Group increased its offer price to EUR 5.30 (cum dividend) per Share, leaving all other

¹ Further to Delta Lloyd's press release of 14 December 2016, Ms De Graaf resigned as member of the Executive Board effective 1 January 2017.

components of its offer unchanged, and requested Delta Lloyd to confirm by 3 October 2016 that its Boards were ready to further explore the proposed transaction. On 3 October 2016, Delta Lloyd informed NN Group that it had pre-scheduled board meetings in the course of that week and would revert to NN thereafter, but in any event before close of business on 6 October 2016. On 4 October 2016, NN responded that it regretted that Delta Lloyd had not met the deadline set out in NN Group's letter dated 2 October 2016.

On 5 October 2016, NN Group publicly announced its intention to make an all-cash offer for Delta Lloyd at an offer price of EUR 5.30 (cum dividend) per Share.

On 7 October 2016, Delta Lloyd publicly rejected NN Group's proposal as announced on 5 October 2016 because, although the Boards are not opposed to transactions that would create compelling value for shareholders and deliver benefits to other stakeholders, the financial terms and conditions set out in NN Group's proposal did not form an acceptable basis for a transaction.

Furthermore, the Supervisory Board retained Bank of America Merrill Lynch (**BAML**) as financial advisor. BAML also supported the Transaction Committee.

Following such public rejection, the Executive Board reached out to NN Group, and, following a period of weeks, after having agreed to confidentiality, representatives of Delta Lloyd and NN Group engaged in several preliminary meetings and discussions, during which, among other things, Delta Lloyd shared its views on capital and cost synergies resulting from a combination of the businesses.

By letter dated 29 October 2016, NN Group informed Delta Lloyd that it was willing to consider increasing the offer price, subject to (i) satisfactory outcome of a confirmatory due diligence process, (ii) good faith negotiations on a merger protocol and (iii) Delta Lloyd's commitment to work in good faith towards a recommended transaction with the aim to announce a deal in three to four weeks.

Delta Lloyd informed NN Group on 1 November 2016 that, should NN Group wish to make a revised and improved proposal in accordance with guidance provided in telephone conversations and the letter itself, Delta Lloyd would give it due and careful consideration.

On 2 November 2016, in accordance with its obligations under the Decree, NN Group publicly reconfirmed its intention to make a public offer for Delta Lloyd.

On that same day, Delta Lloyd announced that it noted NN Group's status update and reiterated that the Boards are not opposed to transactions that would create compelling value for shareholders and deliver benefits to other stakeholders, but NN Group's proposal substantially undervalued Delta Lloyd, its prospects and strategic opportunities and failed to reflect an appropriate share of the benefits of consolidation in the Dutch market.

In addition to the on-going synergies focussed discussions, Delta Lloyd proposed to NN Group to set up a management meeting to discuss a number of topics, among which non-financial items, and a meeting between outside legal counsels to discuss certain key issues of a merger protocol, which meeting took place on 15 November 2015.

NN Group and Delta Lloyd reiterated the agreed confidentiality, albeit in a more elaborate format.

In order to allow NN Group to validate and potentially improve its latest proposal, Delta Lloyd facilitated a due diligence investigation with a limited scope, as is customary in the context of listed companies. NN Group performed a targeted due diligence investigation into the financial, business, strategic, tax, pensions, legal and other aspects of the Delta Lloyd Group and several expert meetings took place.

In a letter dated 14 December 2016, NN Group informed Delta Lloyd that it had concluded its due diligence investigation. Furthermore NN Group stated that the due diligence (findings) enabled NN Group to confirm its understanding and assumptions on various key items and reduced uncertainty on some topics, however also indicated that NN Group expects meaningful negative impacts from the alignment of actuarial assumptions under NN Group ownership. In light thereof, and in the interest of reaching a recommended transaction, NN Group reiterated its offer price of EUR 5.30 (cum dividend) per Share.

Subsequently, Delta Lloyd and NN Group engaged in negotiations on the outstanding terms of a recommended transaction, which included the offer price, because the Boards considered the proposed offer price of EUR 5.30 (cum dividend) not sufficient to warrant the Boards' recommendation. Delta Lloyd and NN Group also discussed and negotiated the non-financial items, including covenants on the treatment of employees, organisational structure of the Combined Group (*e.g.* locations and corporate identity) and brands.

Following a decisive meeting on 22 December 2016, NN Group increased its offer price to EUR 5.40 (cum dividend) per Share and improved the terms of certain non-financial covenants.

Each of the Boards carefully reviewed and discussed the terms and conditions set out in the conditional agreement relating to the proposed Combined Group, including but not limited to the strategic rationale, beneficial and detrimental effects on Delta Lloyd's stakeholders, governance, organizational and social aspects and the financing of the Offer. In addition, the Boards considered and discussed the current financial position of Delta Lloyd, financial regulatory developments as well as Delta Lloyd's prospects. Following such discussions, the Boards concluded that the Offer and therefore Delta Lloyd's execution of the Merger Protocol is in the best interest of Delta Lloyd, taking all its stakeholders into account, including its shareholders. After aforementioned careful and extensive deliberation by the Boards and in consultation with their respective financial and legal advisors, the Executive Board resolved to enter into the Merger Protocol with NN Group in respect of the Transaction and the Supervisory Board approved such resolution. Subsequently, the Merger Protocol was signed on Thursday evening 22 December 2016 by NN Group and Delta Lloyd representatives.

On 23 December 2016, before opening of the Dutch and Belgian stock exchanges, Delta Lloyd and NN Group issued a joint press release announcing the signing of the Merger Protocol, followed by a joint press conference and analyst, investor and wire call.

2.2 Considerations in relation to a standalone scenario

This paragraph describes the material developments / trends in the business of Delta Lloyd and its group, as well as the other material considerations of the Boards in relation to their evaluation of the standalone scenario.

Delta Lloyd has built a successful business across life insurance, general insurance and asset management. It uses a strong multi-channel, multi-label platform with well-known and respected brands such as Delta Lloyd, BeFrank, OHRA and ABN AMRO Insurance. Delta Lloyd's 4.2 million customers give Delta Lloyd consistently high customer satisfaction scores, as do its business partners. Independent financial (pension) advisors consistently rank Delta Lloyd as the number one pension insurer in the Dutch market.

However, it was clear to the Boards that despite Delta Lloyd's strong commercial and operational business, in the era of Solvency II, which became effective on 1 January 2016, Delta Lloyd faced a number of challenges around its capital position. In November 2015, the Boards therefore launched a plan of management actions and capital measures, along with a revised strategy: Closer to the Customer.

In 2016, the Boards made good progress on implementing the Closer to the Customer strategy and its management priorities of capital, performance and customers. In addition, the Delta Lloyd Group's capital position substantially improved. Delta Lloyd successfully executed the rights issue of EUR 650 million, the sale of its shareholding in Van Lanschot and implemented certain ALM actions. The Boards nevertheless continue to focus on securing Delta Lloyd's capital position, including by the implementation of the Partial Internal Model (PIM). Furthermore, the holding company cash position structurally improved, but its leverage still remains relatively high. In addition to strengthening its capital and cash position, Delta Lloyd has been making good progress on the management priorities to further improve its business performance and be the preferred insurer for its customers and business partners.

The Boards recognise the risks to achieving the strategic priorities capital, performance and customers. Delta Lloyd operates in a highly competitive, mature market, where margins on both life and non-life products are consistently under pressure. In order to remain competitive, continued focus on improving cost efficiencies to deliver on cost reduction initiatives and significant investments in, for example, online service and digital processes, are key. In this market one needs to be agile and reap scale benefits to deliver acceptable margins. Therefore, the Boards believe that consolidation in the Dutch market will and should take place in the near or mid-term future, and have consistently said so.

In addition, the macro and regulatory environment also remains challenging given volatile markets, record low interest rates, leading to low yields and EIOPA's pending review of the ultimate forward rate (UFR) methodology. In Delta Lloyd's trading update regarding the first nine months of 2016, it reported a decrease of the Solvency II capital ratio to 156%, from 173% at end June, reflecting those market headwinds.

In the fourth quarter of 2016, Delta Lloyd continued to deliver on management actions, including the announced merger of its Belgian and Dutch life activities. In addition, in December 2016, De Nederlandsche Bank (DNB) awarded Delta Lloyd Algemeen Pensioenfonds a licence to administrate a general pension fund. However, in the fourth quarter of 2016, also a number of developments transpired that negatively affected Delta Lloyd's valuation. Whilst Delta Lloyd expected the Solvency II ratio to have benefited from the closure of the duration gap and favourable market movements related to increased interest rates and spreads, Delta Lloyd also expected the Solvency II ratio to be adversely affected by the LAC-DT review by DNB, the possible removal of the risk margin benefit of the longevity hedge and adverse longevity developments.

Each of these developments was taken into account by the Boards in their evaluation of the standalone scenario.

2.3 Other strategic options considered by the Boards

In the course of their evaluation of Delta Lloyd's strategic alternatives, the Boards also considered a combination of the business of Delta Lloyd with the business of certain other companies, and actively explored a combination with the business of two other companies.

The Boards received alternative proposals from two independent *bona fide* parties. After due and careful consideration of the interests of Delta Lloyd and its stakeholders, the Boards considered that the alternative proposals could be attractive to Delta Lloyd's shareholders and its other stakeholders and that they were well reasoned and serious enough to move forward with the next steps of the process.

With the first party Delta Lloyd discussed a transaction in the form of a legal merger. The shareholders of Delta Lloyd would receive their consideration in the form of listed stock. Delta Lloyd engaged with this party because it believed that its proposal could deliver materially superior

value to Delta Lloyd's shareholders as well as better non-financial covenants to the other stakeholders compared to the proposal of NN Group. This party and Delta Lloyd conducted a targeted due diligence investigation into each other and several meetings took place between representatives and advisors of both parties in which financial, business, strategic, tax, pensions, legal and other matters were discussed. The parties subsequently discussed the main terms of the proposed transaction. In the course of such discussions this first party withdrew its proposal and all discussions between the parties terminated.

Subsequently, a second party made a proposal to the Boards. In this proposal, the consideration would be all cash and the offer price range proposed as well as the non-financial terms were considered by the Boards to be materially more attractive for Delta Lloyd's shareholders compared to the proposal of NN Group. In addition, this party was willing to agree on an extensive set of non-financial covenants. This party was also given the opportunity to conduct a targeted due diligence investigation and several meetings took place between representatives and advisors of both parties in which financial, business, strategic, tax, pensions, legal and other matters were discussed. The parties subsequently discussed the main terms of the proposed transaction, and also discussed the proposed transaction with DNB. Following such discussions, this second party withdrew its proposal and terminated all discussions.

3. STRATEGIC RATIONALE

The Boards are of the opinion that the strategic rationale for a combination of Delta Lloyd and the Dutch and Belgian activities of NN Group is compelling and will result in an overall stronger platform within the Benelux from which to provide enhanced customer propositions and generate shareholder return:

- additional scale and capabilities will result in an improved customer proposition within the Dutch pension market;
- doubling the size of the non-life insurance business will drive underwriting results and customer experience;
- the integration of two leading asset management businesses will create additional scale and expertise;
- increased size and scale of the banking business, will improve the competitive offering to existing and new customers; and
- doubling the presence in Belgium, will lead to a strong life insurance market share with a more diversified offering through additional channels.

The Combined Group will be better placed to capture opportunities that technological innovation brings and will provide increased possibilities for knowledge sharing, strengthening capabilities and talent development. It will bring a perspective of growth and lead to opportunities for employees of both companies and will facilitate continuous improvement in customer service and experience.

4. THE BOARDS' FINANCIAL ASSESSMENT OF THE OFFER

The Boards have considered a number of key financial aspects associated with the Offer as described below.

4.1 Premiums to market price

The Offer represents:

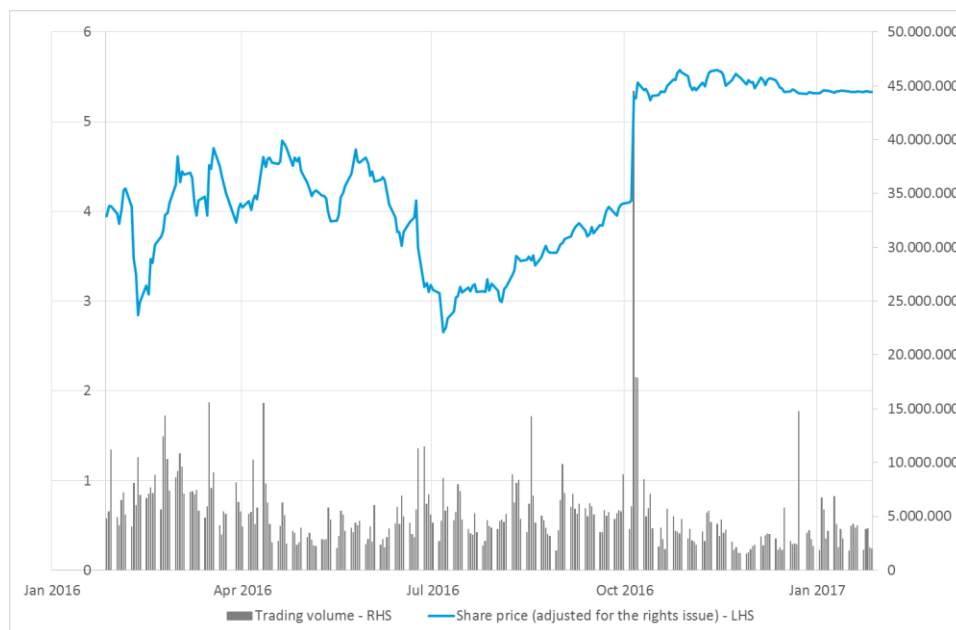

- a premium of 31% to the closing price per Share on Euronext Amsterdam on the Reference Date²;
- a premium of 38% to the average closing price per Share on Euronext Amsterdam for the one month period prior to and including the Reference Date;
- a premium of 55% to the average closing price per Share on Euronext Amsterdam for the three months period prior to and including the Reference Date;
- a premium of 42% to the average closing price per Share on Euronext Amsterdam for the period between the completion of the Delta Lloyd rights issue (on 11 April 2016) and the Reference Date;
- a premium of 31% to the average closing price per Share (adjusted for the rights issue) on Euronext Amsterdam for the twelve months period prior to and including the Reference Date; and
- a premium of 35% to the median of selected analyst price targets for the Shares issued prior to the Reference Date by 19 research analysts who follow Delta Lloyd's developments and regularly issue research reports (median of EUR 4.00).

By comparison, the median premium to the unaffected share price (closing share price one day prior to the earlier of transaction announcement or material, public speculation of a transaction, if any) is 40% for public offers on 100% of the share capital of Dutch companies with firm values in excess of EUR 2 billion that were announced and completed in a period of five years prior to the Reference Date. Selected transactions are: DE Master Blenders – J. A. Benckiser; Ziggo – Liberty Global; Nutreco – SHV; and TNT – FedEx.

The graph on the following page sets out the Share price development for Delta Lloyd from 27 January 2016 to 27 January 2017.

²

The closing price of the Shares on the Reference Date was EUR 4.12, as per Bloomberg.

4.2 Other

In addition to the foregoing, the Boards have also considered the following in their financial assessment of the Offer:

- that Goldman Sachs delivered a fairness opinion to the Boards dated 23 December 2016 that - as of such date and based upon and subject to the factors, qualifications and assumptions set forth in the fairness opinion – the EUR 5.40 per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, to the Shareholders, collectively, was fair from a financial point of view to such Shareholders.

The full text of the opinion of Goldman Sachs, dated 23 December 2016, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with such opinion, is included in Schedule 1. Goldman Sachs provided its opinion solely for the information and assistance of the Boards in connection with their consideration of the Offer. The opinion of Goldman Sachs is not a recommendation as to whether or not any Shareholder should tender such Shares in connection with the Offer or any other matter;

- that Bank of America Merrill Lynch delivered a fairness opinion to the Supervisory Board dated 22 December 2016 that - as of such date and based upon and subject to the factors, qualifications and assumptions set forth in the fairness opinion - the EUR 5.40 per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, to the Shareholders, collectively, was fair from a financial point of view to such Shareholders.

The full text of the opinion of Bank of America Merrill Lynch, dated 22 December 2016, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with such opinion, is included in Schedule 2. Bank of America Merrill Lynch provided its opinions solely for the information and assistance of the Supervisory Board in connection with the Offer. The opinion of Bank of America Merrill Lynch is not a recommendation as to whether or not any Shareholder should tender such Shares in connection with the Offer or any other matter;

- NN Group's confirmation on 23 December 2016 of its ability to fulfil its obligations under the Offer by utilizing existing cash resources and, subject to customary conditions, committed debt financing from reputable global financial institutions;
- that the form of consideration to be paid to the Shareholders in the Offer is cash, which will provide certainty of value and liquidity to Shareholders;
- that there is a possibility of third parties making a competing offer if certain market conformity thresholds (as set out in paragraph 5.4) are met;
- that at the date of this Position Statement, Delta Lloyd is not in discussions with a third party regarding a competing offer;
- Delta Lloyd and NN Group have done extensive preparatory work on the required competition filing, which the Offeror expects to submit to the European Commission on 10 February 2017. Delta Lloyd and NN Group are confident that the Competition Clearance will be obtained. Under the terms of the Merger Protocol, NN Group will forfeit a termination fee to Delta Lloyd equal to EUR 67.5 million net in cash if the Merger Protocol is terminated because Competition Clearance has not been obtained;
- Delta Lloyd and NN Group have done extensive preparatory work on the required declarations of no objection and submitted the relevant requests with the DNB and the National Bank of Belgium, respectively. Delta Lloyd and NN Group are confident that the required declarations of no objection will be obtained. Under the terms of the Merger Protocol, NN Group will forfeit a termination fee to Delta Lloyd equal to EUR 25 million net in cash if the Merger Protocol is terminated because the required declarations of no objection have not been obtained; and
- finally, the Offeror will declare the Offer unconditional if it and/or its Affiliates hold at least 67% of Delta Lloyd's issued and outstanding ordinary share capital (*geplaatst en uitstaand gewoon kapitaal*) on a fully diluted basis as at the Closing Date if the general meeting of shareholders of Delta Lloyd has approved the Legal Merger and such resolution is in full force and effect as at the Closing Date. In such a case, NN Group may pursue the Legal Merger.

4.3 Assessment

Based on all the above considerations, the Boards have concluded that, taking into account the current circumstances, the EUR 5.40 per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, is fair to the Shareholders from a financial point of view.

5. THE BOARDS' NON-FINANCIAL ASSESSMENT OF THE OFFER

The Boards have considered a number of significant potential beneficial and detrimental consequences for Delta Lloyd's stakeholders associated with the Offer. In light thereof Delta Lloyd and NN Group have, in summary, agreed on the following non-financial arrangements:

5.1 Non-Financial Covenants

(a) Strategy

NN Group and Delta Lloyd have agreed to the following principles in relation to the combined Benelux business strategy of the Combined Group going forward.

(c) Integration

After the Settlement Date, NN Group and Delta Lloyd intend to integrate and align their operations in the Netherlands and Belgium (the **Benelux Operations**) to fully benefit from their combined reach, scale and resources, in order to provide a compelling platform, maximise the potential of the two businesses and enhance NN Group's and Delta Lloyd's capabilities to service customers.

The integration will be led by the NN Group Management Board, determining the parameters for integration and supervising the operational working groups. The integration process will be executed in a fair, balanced and timely manner, respecting the talents and strengths of people in both

organisations. In this respect, senior representatives of both NN Group and Delta Lloyd will be given a role in preparing the transitional plans and monitoring implementation at the level of the operational working groups.

In order to safeguard the process, a transition committee will be established consisting of three members, being Mr Friese, Mr Holsboer and, up to the Settlement Date, Mr Van der Noordaa, and as of the Settlement Date, Mr Ruijter (the **Transition Committee**). The Transition Committee will supervise, monitor and advise on the fairness of the integration process. Following the Settlement Date, the Transition Committee will continue to be in place until completion of the integration.

NN Group and Delta Lloyd will strive to realise the synergies of the Transaction as soon as reasonably possible after Settlement. Delta Lloyd confirms that the Boards subscribe to the joint strategic vision underlying the Transaction.

(d) Employees

Selection

1. Following the Settlement Date, the nomination, selection and appointment of staff for functions within the Combined Group will, subject to the Applicable Rules, be based on the “best person for the job” principle, or, where not feasible or appropriate, on non-discriminatory, fair and business-oriented transparent set of criteria.
2. The members of the management teams of the business units of the Benelux Operations will be appointed by the NN Group Management Board on the basis of an individual assessment, and following prior consultation with one of the continuing members of the Supervisory Board. The individual assessment process will be organized and conducted by a specialised professional advisory firm and the results of such assessment will be shared with the relevant Continuing Member.
3. Taking into account the spirit and nature of the Transaction, as well as the size of the operations and management structure of NN Group and Delta Lloyd, respectively, the objective will be that at least 50% of Delta Lloyd’s current business unit management (comprising of 23 persons) will be given a senior role in the Combined Group at a comparable level to their current role. For staff management the principle set out in paragraph 1 (“Selection”) above will apply and NN Group and Delta Lloyd agree that at least 50% of Delta Lloyd’s current staff management (comprising of 12 persons) will be given a senior role in the Combined Group.

Retention

4. It will be important for the Combined Group to retain talent and in light thereof NN Group will, effective as from the Settlement Date, put in place appropriate retention measures, including in respect of certain Delta Lloyd employees on an individual basis, where deemed necessary or appropriate.

Employment policies

5. The integration of the businesses of Delta Lloyd and NN Group may have potential consequences for the employees of the Benelux Operations. NN Group and Delta Lloyd shall put in place appropriate arrangements dealing with the impact of integration for employees with due care and respect and shall honour the redundancy arrangements, social plans and applicable contractual arrangements already made or to be made with the relevant employees and/or their representatives.

6. After the Settlement Date, NN Group will respect and continue the current Delta Lloyd employee consultation structure (i.e. the Works Council and other existing employee representative bodies) until such time that the integration process of the Benelux Operations merits a unified employee consultation structure.
7. The Works Council, the works council of NN Group and the trade unions will be given the opportunity to exercise all of its rights pursuant to Applicable Rules and the covenants entered into with them in relation to any redundancies and specific integration plans, including, if applicable, their right to provide advice. Furthermore, all other applicable employee information and consultation requirements in relation to any redundancies and specific integration plans will also be complied with at the relevant time.
8. To the extent required pursuant to existing or future social plans and/or redundancy plans, NN Group and Delta Lloyd will ensure that any vacancies that arise during the integration phase within the Combined Group and within the same geographical area are first offered to employees of the Combined Group who have or would have become redundant in connection with the Offer and the contemplated transactions, subject to such employees having the relevant skills and experience and in line with the Applicable Rules.
9. NN Group and Delta Lloyd shall offer outplacement services to any employees of the Combined Group that become redundant in connection with the Offer and the contemplated transactions, to the extent required pursuant to existing or future social plans and/or redundancy plans.
10. After the Settlement Date, NN Group shall respect any and all existing rights and benefits of employees of the Delta Lloyd Group, including under any existing social plans, profit sharing schemes, covenants (including covenants with the Works Council) and collective labour agreements (including the employee benefits included in the terms thereof), as well as the terms of the individual employment agreements between the Delta Lloyd Group and its employees for the agreed duration of these arrangements and agreements or, if earlier, until new plans and/or agreements will be in place amending these rights with due observance of the Applicable Rules.
11. Subject to the envisaged transition of all existing and future defined pension benefits to (collective) defined contribution pension benefits, NN Group shall respect any and all such existing rights of the Delta Lloyd Group's current and former employees.

(e) Governance

Composition Executive Board

As of the Settlement Date, Mr Abrahams, Ms Mijer and Mr van Riet shall continue to serve on the Executive Board. In addition, two additional members identified by the Offeror, being Mr Knibbe and Ms van Vredenburg will, subject to the Offer having been declared unconditional and completion of the applicable formal corporate procedures, be appointed to the Executive Board by the Supervisory Board as of the Settlement Date. Furthermore, subject to the Offer having been declared unconditional, Mr Knibbe will be the CEO of Delta Lloyd as of the Settlement Date.

The current members of the Executive Board who will continue to serve on the Executive Board after the Settlement Date will remain in office for as long as appropriate. If, as a result of integration or otherwise, their roles will cease to exist or become redundant, the Offeror will use its reasonable best efforts to find suitable alternative senior roles within the Combined Group. Should the Offeror not be able to find such role or should the relevant members of the Executive Board not be interested in such a continuation of his or her career, the Offeror will respect the agreed notice period as well as the existing severance arrangements.

Composition Supervisory Board

Subject to the Offer being declared unconditional and the relevant resolutions having been adopted at the Offer EGM, the Supervisory Board will as of the Settlement Date consist of Mr Friese, Mr Rueda and Mr Erasmus, Mr Ruijter and Ms Streit. Mr Ruijter and Ms Streit (the **Continuing Members**) shall qualify as independent within the Dutch Corporate Governance Code. Mr Ruijter shall continue to be the chairman of the Supervisory Board.

The Supervisory Board shall be abolished as soon as possible following the termination of the listings of Delta Lloyd from Euronext Amsterdam and Euronext Brussels and the appointment of the Continuing Members to the NN Group supervisory board. Reference is made to section 6.17.2 of the Offer Memorandum.

It is acknowledged and agreed that, as of the Settlement Date, in deviation of the Dutch Corporate Governance Code, persons who are employed by, or otherwise related to, NN Group can be appointed to the Supervisory Board, provided that the Continuing Members or after their replacement any other person who (i) qualifies as independent director within the meaning of the Dutch Corporate Governance Code and (ii) is reasonably acceptable to the other supervisory directors including the Continuing Member, shall continue to serve on the Supervisory Board or the NN Group supervisory board, as the case may be, until the third anniversary of the Settlement Date.

In their position as members of the Supervisory Board or the NN Group supervisory board, as the case may be, the Continuing Members shall monitor and protect the interests of all Delta Lloyd's stakeholders, including, in particular, monitoring the Non-Financial Covenants and, when material transactions between Delta Lloyd and NN Group or an Affiliate of NN Group are considered, the fair treatment of minority shareholders of Delta Lloyd (if any).

The appointment of the new members of the Supervisory Board and the Executive Board and the discharge of all resigning members of the Boards, together with the proposed amendments to the articles of association of Delta Lloyd, will be on the agenda of the Offer EGM (as defined below), as further explained in the explanatory notes to the agenda of the Offer EGM attached in Schedule 3.

Large company regime

Following the Settlement Date, the large company regime (*volledig structuurregime*) applicable to Delta Lloyd shall be abolished.

(f) Approvals for Post Closing Measures

NN Group has agreed with Delta Lloyd to only effect or cause to effect any Post Closing Measure (i) in accordance with the terms and subject to the conditions of the Merger Protocol; (ii) after the Post Closing Acceptance Period; and (iii) if NN Group and/or its Affiliates (but excluding, for the avoidance of doubt, any Shares held by NN Investment Partners) hold less than 95% of the Shares. If NN Group and/or its Affiliates (but excluding, for the avoidance of doubt, any Shares held by NN Investment Partners) hold at least 95% of the Shares, NN Group will initiate a statutory buy-out proceeding.

In the implementation of any Post Closing Measure, due consideration will be given to the requirements of Dutch law and Applicable Rules, including the requirement to consider the interests of all stakeholders including any minority shareholders of Delta Lloyd, and the requirement for the members of the Supervisory Board or, following the abolishment of the Supervisory Board, the supervisory board of NN Group to form their independent view of the relevant matter. In this respect, Supervisory Board or the supervisory board of NN Group, as the case may be, shall continue to have the right to engage, for the account of Delta Lloyd or NN Group, as the case may be, their own financial and legal advisors, if and to the extent they believe that the advice of such advisors is

necessary to assist them in reviewing and assessing any matter that comes before the Supervisory Board or the supervisory board of NN Group, as the case may be.

If any proposed Post Closing Measure could reasonably be expected to prejudice or negatively affect the value of the Shares held by the remaining minority shareholders in Delta Lloyd, other than (i) pursuant to a rights issue or any other share issue where they have been offered a reasonable opportunity to subscribe pro rata to their then existing shareholding, or any shares issued to a third party not being an Affiliate of a Party; (ii) a compulsory acquisition procedure (*uitkoopprocedure*) in accordance with article 2:92a or 2:201a of the DCC or the takeover buy-out procedure in accordance with article 2:359c of the DCC; or (iii) the Legal Merger, then the affirmative vote of at least one Continuing Member shall be required prior to the implementation of any such Post Closing Measure.

5.2 Duration of Non-Financial Covenants

All Non-Financial Covenants described above (except for those included in the paragraph 5.1(f) “Approvals for Post Closing Measures”) will apply for a period of three years following the Settlement Date. The Non-Financial Covenants set out in paragraph 5.1(f) “Approvals for Post Closing Measures” will cease to apply on the earlier of (i) the date on which NN Group directly or indirectly holds 100% of the Shares; (ii) the date on which NN Group commences a compulsory acquisition procedure (*uitkoopprocedure*) in accordance with article 2:92a or 2:201a of the DCC or the takeover buy-out procedure in accordance with article 2:359c of the DCC; and (iii) the third (3rd) anniversary of the Settlement Date.

In the event that Delta Lloyd ceases to exist during the duration set out in the paragraph above as a result of the integration of the businesses of Delta Lloyd and NN Group (such as pursuant to the Legal Merger) or for any other reason, the Non-Financial Covenants shall continue to apply to the holding company of the Benelux Operations. In such case, all references to Delta Lloyd in the Non-Financial Covenants shall be deemed to refer to such holding company of the Benelux Operations, its subsidiaries and its businesses.

5.3 Deviation and benefit

Any deviation from the Non-Financial Covenants shall require the prior approval of the Supervisory Board or, following the abolishment of the Supervisory Board, the supervisory board of NN Group, including the affirmative vote of at least one Continuing Member.

The Non-Financial Covenants are made to Delta Lloyd as well as, by way of irrevocable third party undertaking for no consideration (*onherroepelijk derdenbeding om niet*), to each of the two Continuing Members in their capacity as members of the Supervisory Board or, following the abolishment of the Supervisory Board, the supervisory board of NN Group, it being understood that the Non-Financial Covenants may only be enforced by the Continuing Members, acting jointly. NN Group has agreed in advance to the assignment of the benefit of this undertaking by any Continuing Member to its successor.

NN Group will bear all costs and expenses relating to the enforcement of the Non-Financial Covenants by the Continuing Members.

5.4 Certain other considerations and arrangements

During the discussions leading up to the execution of the Merger Protocol, Delta Lloyd considered certain matters and negotiated certain terms, conditions and other aspects of the Offer in order to be able to safeguard the interests of all of its Shareholders, including the interests of Shareholders not tendering their Shares under the Offer. Such considerations, terms, conditions and other aspects of the Offer include the following:

Acceptance level

The number of Shares that have been tendered for acceptance under the Offer, together with (i) the Shares directly or indirectly held by the Offeror or any of its Affiliates at the Closing Date (but excluding, for the avoidance of doubt, any Shares held by NN Investment Partners); (ii) any Shares committed to the Offeror, or any of its Affiliates, in writing, and (iii) any Shares to which the Offeror is entitled (*gekocht maar nog niet geleverd*) must at least represent 95% of the issued and outstanding ordinary share capital of Delta Lloyd on a fully diluted basis as at the Closing Date. This threshold will be lowered to 67% if and when the majority of the Shareholders approve the Legal Merger at the Legal Merger EGM (as defined below) and such resolution is in full force and effect at the Closing Date. This obliges the Offeror to complete the Offer at a lower acceptance level and thereby provides greater deal certainty in the interest of Delta Lloyd.

Competing Offer and termination fees

Delta Lloyd has agreed with NN Group certain arrangements with respect to a possible competing offer and termination of the Merger Protocol as extensively described in section 6.21 of the Offer Memorandum. All these arrangements are customary for a transaction like the one contemplated by the Offeror and do not prohibit a *bona fide* third party to make a Competing Offer. These arrangements are summarized as follows.

Delta Lloyd is permitted to engage in discussions with, and to provide certain information to, a *bona fide* third party that makes an unsolicited approach to Delta Lloyd with the intention of making a Competing Offer and to investigate such approach and enter into discussions with such third party, provided that (i) Delta Lloyd shall only be permitted to engage in discussions if and to the extent the Boards have in their reasonable opinion determined that doing so is reasonably necessary to assess whether such Alternative Proposal could reasonably be expected to qualify or evolve into a Potential Competing Offer or Competing Offer and (ii) Delta Lloyd keeps NN Group updated on the status of those discussions or any other developments in relation thereto on a regular basis. A **Competing Offer** is an unsolicited proposal made by a *bona fide* party for all Shares or all or substantially all of the assets of the Delta Lloyd, which proposal is more beneficial to Delta Lloyd and its stakeholders than the Offer, exceeds the Offer Price by at least 7% and the consideration does not consist of any securities that are not publicly traded on a regulated market, and is legally binding on that third party such that the offer is made within four weeks and the intention to launch the offer is publicly announced.

NN Group has the right to match any Competing Offer within seven Business Days following announcement of a Competing Offer. If NN Group matches such Competing Offer, Delta Lloyd shall not be entitled to accept such Competing Offer and Delta Lloyd cannot terminate the Merger Protocol. If NN Group does not match the Competing Offer, Delta Lloyd may accept the Competing Offer and the Boards have the right to withdraw or modify the Recommendation and this Position Statement. If Delta Lloyd accepts the Competing Offer, NN Group and Delta Lloyd each have the right to terminate the Merger Protocol.

On termination of the Merger Protocol by NN Group on account of a material breach of the Merger Protocol by Delta Lloyd, or in the case of a Competing Offer not matched by NN Group, Delta Lloyd will forfeit a net EUR 25 million termination fee to NN Group.

On termination of the Merger Protocol by Delta Lloyd on account of (i) a material breach of the Merger Protocol by NN Group, or the Offer Condition regarding regulatory approvals not being satisfied or waived by NN Group, NN Group will forfeit a net EUR 25 million reverse termination fee to Delta Lloyd; and (ii) the Offer Condition regarding competition clearances not being satisfied or waived by NN Group, NN Group will forfeit a net EUR 67.5 million reverse termination fee to Delta Lloyd.

5.5 Assessment

Taking into account on all the above considerations, the Boards have concluded that, overall, the Offer and the arrangements included in the Merger Protocol are in the best interests of Delta Lloyd and its stakeholders.

6. FINANCIALS

Reference is made to sections 13 of the Offer Memorandum, which includes the financial information as required by Annex G of the Decree.

7. EMPLOYEES

The Works Council has been requested to render its advice in relation to the Offer and the Legal Merger. On 1 February 2017, the Works Council rendered a positive advice in respect of the Offer and the Legal Merger.

The trade unions involved with Delta Lloyd and the Offeror and the secretariat of the Social Economic Council (*Sociaal Economische Raad*) have been informed in writing of the Offer in accordance with the SER Fusiegedragsregels 2015.

Further reference is made to paragraph 5.1(d) under the heading “Employees”.

8. OVERVIEW OF SHARES HELD, SHARE TRANSACTIONS AND INCENTIVE PLANS

8.1 Shares and Conditional Performance Shares

Shares

At the date of this Position Statement, no Shares are held by members of the Supervisory Board.

As at the date of this Position Statement, Shares are held by the members of the Executive Board as shown in the following table.

Clifford Abrahams	53,178	287,161
Annemarie Mijer	36,241	177,826
Leon van Riet	50,436	260,732

The statutory claw-back regulations (*de afroomregeling*) will be applied to the Shares granted to the members of the Executive Board as remuneration. Whether or not these Shares are vested or in lock up does not make a difference in this respect.

For the year 2017 Ms Mijer and Mr Van Riet will each be entitled to receive 13,824 unconditional Shares. The transfer of these Shares is expected to take place in April 2017.

All members of the Executive Board have entered into an irrevocable undertaking with NN Group to tender all their Shares under the Offer, under the same terms and conditions as the other Shareholders, subject to the conditions precedent that (i) the Offer being declared unconditional, (ii) the Offer is made against at least the Offer Price and (iii) the Merger Protocol has not been terminated in accordance with its terms. Each member of the Executive Board will vote in favour of the Resolutions, subject to the same conditions. The irrevocable undertaking can only be withdrawn in the event that the Executive Board and the Supervisory Board revoke or amend their

recommendation in accordance with the terms of the Merger Protocol or if the Merger Protocol is terminated in accordance with its terms.

The members of the Executive Board did not receive any information from the Offeror or NN Group in connection with the Offer that is not included in the Offer Memorandum.

Conditional Performance Shares

At the date of this Position Statement, none of the members of the Supervisory Board holds any Conditional Performance Shares or (other) options for Shares.

As at the date of this Position Statement, Conditional Performance Shares are held by members of the Executive Board, as shown in the following table:

Executive Board	Number of Conditional Performance Shares				
	2013	2014	2015	2016	2017
Hans van der Noordaa	-	-	-	54,728	39,916
Clifford Abrahams	-	-	-	108,987*	95,627*
Annemarie Mijer	-	-	-	37,924	27,660
Leon van Riet	2,377	2,097	-	34,732	27,660

* At the start of employment Mr Abrahams has been granted a sign-on bonus of up to EUR 828,000, of which 50% will be paid in cash and 50% in Shares. Half of both the equity and cash part vests directly upon completion of the performance period (year 2016) and upon meeting the applicable performance criteria. The remaining part (both cash and equity) will vest in accordance with the group variable remuneration scheme. The equity part of this bonus (EUR 414,000) represents a total of 119,249 Shares, of which 59,625 Shares (50%) will be paid in February 2017. Half of the cash part (EUR 208,000) will also be paid in February 2017.

The Conditional Performance Shares granted to Mr Van Riet for the financial year 2013 and 2014 will be cash settled on the Settlement Date subject to the Offer being declared unconditional (see paragraph 8.3). Mr Van Riet will receive an amount of EUR 17,091 for his respective 2013 and 2014 Conditional Performance Shares. For the financial year 2015 no Conditional Performance Shares were awarded to the current members of the Executive Board. The performance realization for the financial year 2016 is expected to take place in the course of February 2017. The achievement of the set performance targets will then be determined and the 2016 Conditional Performance Shares will then be finally awarded. The 2016 and 2017 Conditional Performance Shares will also be cash settled at the Settlement Date, subject to the Offer being declared unconditional. To the Conditional Performance Shares awarded on 1 January 2017 a proration will be applied equal to the month of the year in which Settlement takes place divided by twelve.

No Shares, Conditional Performance Shares or other options for Shares other than set out in the tables above are held by any member of the Boards, nor by any of their spouses, registered partners, minor children and any entities over which these members or other persons referred to have control within the meaning of Annex G, paragraph 3 of the Decree.

8.2 Share transactions

No transactions or agreements in respect of securities in Delta Lloyd have been effected or have been concluded in respect of securities in Delta Lloyd by any member of the Boards, nor by any of their spouses, registered partners, minor children and any entities over which these members or other persons referred to have control within the meaning of Annex G, paragraph 3 of the Decree, other than as described in paragraphs 8.1 and 8.3.

8.3 Incentive plans

Delta Lloyd has granted conditional (phantom) performance shares (the **Conditional Performance Shares**) to members of the Executive Board and other directors, managers and (senior) employees pursuant to three share-based and performance related incentive plans: (i) the equity settled Variable Incentive Plan for identified staff, (ii) the cash-settled Variable Incentive Plan for other managers (the plans under (i) and (ii) together the **Incentive Plans**), and (iii) the cash-settled Delta Lloyd Phantom Option Plan.

All rights in respect of the incentive plans listed in the paragraph above and all individual commitments to Delta Lloyd's employees will be respected, subject to the provisions set out below.

All Conditional Performance Shares, whether vested or unvested, outstanding under the respective Incentive Plans immediately prior to Settlement shall, pursuant to the applicable Incentive Plan, on the Settlement Date, in full and final satisfaction of such Conditional Performance Shares, be cancelled and settled in cash by payment of an amount equal to the Fair Market Value (as defined in the Incentive Plans) of a Conditional Performance Share on the last day before the Settlement Date.

At 1 January 2017, 894,531 Conditional Performance Shares were awarded under the Incentive Plans. The Conditional Performance Shares awarded on 1 January 2017 will be settled in accordance with the paragraph above, provided, however, that in relation to the settlement of such Conditional Performance Shares a proration will be applied equal to the month of the year in which Settlement takes place divided by twelve.

The above described cash settlement of variable remuneration is subject to the competent Dutch supervisory authority approving such method of settlement. If such approval is not received, an alternative settlement method will be applied mirroring as much as possible the above described method of settlement.

In compliance with the Dutch Corporate Governance Code, members of the Executive Board may not sell their performance shares prior to the earlier of five years from the date of grant or the end of employment. However, any sale of shares with the intent of using the proceeds to pay for the tax relating to the grant of these shares is exempted.

8.4 Compensation payments

Mr Hans van der Noordaa will, subject to the Offer having been declared unconditional and effective as per the Settlement Date, resign as member of the Executive Board. In connection with his resignation Mr Van der Noordaa will receive a severance payment of EUR 950,000, which amount is, in line with the Dutch corporate governance code, no more than one year's salary.

None of the members of the Supervisory Board is entitled to a contractual severance payment or any other form of compensation on termination of service or in connection with the Offer.

9. LEGAL MERGER

9.1 Introduction

The Merger Protocol envisages the possibility for the Offeror to, after completion of the Offer, pursue the Legal Merger.

In exchange for each Share, the owner of such Share will receive a fraction of one listed ordinary share of NN Group equal to the Offer Price per Share divided by the NN Group stock price on the last day prior to the date on which the notarial deed to establish the Legal Merger is executed (the **Exchange Ratio**).

If applicable, in exchange for each Delta Lloyd preference share A, the owner of such share will receive a fraction of one preference share A of NN Group equal to the outcome of the calculation of dividing the Offer Price per Share by the NN Group stock price on the last day prior to the date on which the notarial deed to establish the Legal Merger is executed.

NN Group and Delta Lloyd have jointly prepared the merger terms (including a merger proposal, explanation and other relevant appendices) with regard to the Legal Merger (the **Merger Terms**), which are available on the website of Delta Lloyd. Reference is also made to section 6.11.5 of the Offer Memorandum.

If the Legal Merger is pursued, it is expected that it will be implemented as soon as possible after settlement of the Post Closing Acceptance Period.

At the Legal Merger EGM, the general meeting of shareholders of Delta Lloyd will be asked to discuss and vote on the Legal Merger. The Boards recommend that the Shareholders vote in favour of the Legal Merger. In this chapter 9, the Boards' recommendation is explained.

9.2 Acceptance Level Condition

The obligation of the Offeror to declare the Offer unconditional is subject to the Offer Conditions being satisfied or waived in whole or in part in accordance with the Merger Protocol prior to or ultimately on the Unconditional Date. Reference is made to section 6.7 of the Offer Memorandum.

One of the Offer Conditions is that the number of Shares having been tendered for acceptance during the Offer Period and the Post Closing Acceptance Period, together with (x) any Shares directly or indirectly held by the Offeror or any of its Affiliates (but excluding, for the avoidance of doubt, any Shares held by NN Investment Partners); (y) any Shares committed to the Offeror or any of its Affiliates, in writing; and (z) any Shares to which the Offeror or any of its Affiliates is entitled (*gekocht maar nog niet geleverd*), represents at least 95% or at least 67% of Delta Lloyd's issued and outstanding ordinary share capital (*geplaatst en uitstaand gewoon kapitaal*) if the general meeting of shareholders of Delta Lloyd has approved the Legal Merger and such resolution is in full force and effect as at the Closing Date.

Hence, the passing of the Legal Merger Resolution contributes towards the lowering of the acceptance level from 95% to 67%, and therefore increases the chances of the Offer being declared unconditional.

9.3 Legal Merger

Highlights

- The Legal Merger may only be implemented, to be decided by NN Group, if and after the Offer is declared unconditional and after the Post Closing Acceptance Period.
- The Legal Merger will not be implemented if the acceptance level of the Offer after the Post Closing Acceptance Period is equal to or higher than 95%.
- The Legal Merger will increase the likelihood of the Offer being declared unconditional which is beneficial to the continuity of and enhancing the business of Delta Lloyd and is thus beneficial to its stakeholders as the uncertainty on whether or not the Combined Group will become effective diminishes.
- Each of the Boards are of the opinion that it is their fiduciary duty to propose the Legal Merger to the Shareholders as the Offeror's willingness to pay the Offer Price and to pursue

the Offer is predicated on the Offeror's ability to integrate Delta Lloyd within NN Group after completion of the Offer.

- The Legal Merger is *proposed* to the general meeting of shareholders of Delta Lloyd by the Boards, but the general meeting of shareholders of Delta Lloyd *passes* the Legal Merger Resolution.
- The Works Council has rendered positive advice in respect of the Legal Merger as they see the merits of the Offer being successfully consummated.
- Full transparency to the Shareholders is important to each of the Boards, hence the detailed information in the Offer Memorandum, the Position Statement and all other documentation in respect of the Legal Merger.
- The Legal Merger will lead to minimal disruption to Delta Lloyd's business and operations.
- The Boards have the right to re-evaluate the terms and conditions of the Legal Merger if fewer than 67% of the Shares are held by the Offeror and its Affiliates after the Post Closing Acceptance Period, and in that event the Boards will not be obliged to cooperate with the Legal Merger.
- Transactions with a similar effect have been proposed/implemented in the past (among others Corio/Klépierre, Sweco/Grontmij and DE Master Blenders 1753/JAB).

Rationale for the Legal Merger

The rationale for the Legal Merger is the ability to fully integrate Delta Lloyd with NN Group and realise the intended benefits of the Transaction. The benefits of the Transaction accrue to the benefit of all NN Group and Delta Lloyd stakeholders. The reason for entering into the Legal Merger is to ensure that if a large majority of the Shares is tendered under the Offer, NN Group will acquire 100% of the Delta Lloyd Group. In a situation where a public minority remains in Delta Lloyd, it would not be possible to secure the same benefits for the Delta Lloyd stakeholders and deliver the same Offer Price to all Delta Lloyd shareholders.

The reason for conditioning the Legal Merger on a percentage below 95% is to limit the risk that the Transaction is not consummated (to the detriment of Delta Lloyd, the vast majority of the holders of Shares, and the other stakeholders of Delta Lloyd, as none of the benefits of the Transaction would arise, and to the detriment of NN Group for the same reasons and because it would have incurred significant transaction costs), weighed against the interests of a minority that does not wish the Transaction to succeed at all, or not at the Offer Price.

Operational and commercial benefits include, but are not limited to, the long-term growth perspective and improved customer proposition of the Combined Group as a result of additional scale and fostering capabilities that take the best from both companies and thereby result in an overall better customer proposition and workplace dynamic and capacity to compete.

Organizational benefits include, but are not limited to, additional employment opportunities for NN Group and Delta Lloyd employees and benefits of being part of the wider NN Group's Group in respect of training and sharing of best practices.

Financial benefits include, but are not limited to cost synergies through rationalisation of the overhead, project and head office cost of the Combined Group.

Realisation of benefits outlined above will be hampered in the event that Delta Lloyd remains a public company with minority shareholders as a result of, inter alia,

- (a) additional delays and restrictions on making decisions and implementing the required strategy to achieve the operational and commercial benefits, resulting in inevitable timing delays and possible restrictions at the expense of the Combined Group;
- (b) limitations on structuring the Combined Group's tax efficiently since consolidation of the entities in one fiscal unity requires a share ownership of at least 95%; and
- (c) inability to delist Delta Lloyd from Euronext Amsterdam and Euronext Brussels, incurring costs that Delta Lloyd otherwise would not have to make, such as preparation of standalone annual accounts, semi-annual financial statements and maintaining a corporate governance framework compliant with the Dutch Corporate Governance Code.

Stakeholders' analysis

The Boards have performed an analysis of the position of all Delta Lloyd's stakeholders in connection with the Legal Merger. Part of that analysis has been the following:

Majority/minority shareholders

- It is the fiduciary duty of the Boards to facilitate the successful consummation of the Offer if a large majority wishes to use a cash exit by tendering their Shares under the Offer. Hence, the Boards are of the opinion that it is their fiduciary duty to propose the Legal Merger to the shareholders as an integral part to having the Combined Group effectuated.
- The Legal Merger is a proportionate measure. It is only applied in the event that, after the Offer Period and Post Closing Acceptance Period, a statutory buy-out proceeding is not possible.
- Subject to the next paragraph, minority Shareholders will swiftly obtain ordinary shares in NN Group that are freely tradable at Euronext Amsterdam following the Offer being declared unconditional, giving them the ability to sell those shares at their discretion.
- Given the disproportionate time and expense which would be incurred by Delta Lloyd and NN Group in registering the NN group shares pursuant to the Legal Merger, the Legal Merger will, to the extent necessary, be conducted in accordance with an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act. Therefore, if an owner of Shares located in the United States (or a nominee, broker or other intermediary holding such Shares beneficially for the account of a person located in the United States) is unable to make the QIB Confirmations (reference is made to section 6.11.5. (d) of the Offer Memorandum) on behalf of itself or the person on whose behalf such Shares are held, any NN Group shares allotted to such person will instead be transferred to a nominee, and such NN Group shares will be sold on his, her or its behalf with the proceeds being remitted to such person within five days of the completion of the Legal Merger.

In their deliberations on the Legal Merger the Boards have taken into consideration that, from the Shareholders' perspective, certain (potential) adverse tax consequences of the implementation of an alternative structure, such as an asset sale and liquidation structure, are avoided by opting for the Legal Merger, and, in addition, the advantages to Delta Lloyd's stakeholders, including the Shareholders, of the above described method of compliance with the U.S. Securities Act outweigh the (potential) effects to (certain) Shareholders as described above.

Employees

The Boards have paid careful attention to the position and the role of the employees in the Legal Merger. All rights and obligations relating to the employees of Delta Lloyd will be transferred to the Offeror by operation of law pursuant to the Legal Merger. The Works Council has already rendered positive advice in connection with the Legal Merger.

Other Stakeholders

Creditors of Delta Lloyd have the right to oppose the Legal Merger within one month after the public announcement of the publication of the Merger Terms.

The Boards have received a fairness opinion from Goldman Sachs dated 23 December 2016 that - as of such date and based upon and subject to the factors, qualifications and assumptions set forth in the fairness opinion – the EUR 5.40 per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, to the Shareholders, collectively, was fair from a financial point of view to such Shareholders.

The Supervisory Board has received a fairness opinion from Bank of America Merrill Lynch dated 22 December 2016 that - as of such date and based upon and subject to the factors, qualifications and assumptions set forth in the fairness opinion – the EUR 5.40 per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, to the Shareholders, collectively, was fair from a financial point of view to such Shareholders.

EY has issued an independent auditor's report on 1 February 2017 in which the auditor has opined that, having considered the Merger Terms and the documents attached thereto, the Exchange Ratio is reasonable (*redelijk*).

Based on the above, the Boards believe that the Legal Merger is more beneficial to Delta Lloyd and its stakeholders than other Post Closing Measures. Upon execution of the Legal Merger, Shareholders that have not tendered their Shares under the Offer and thus have chosen not to receive a cash compensation, will, in principle, receive ordinary shares in the capital of NN Group that are freely tradable at Euronext Amsterdam. The Legal Merger also provides for certain safeguards for Shareholders and other stakeholders of Delta Lloyd such as the right for creditors of Delta Lloyd to oppose the Legal Merger. Finally, the Legal Merger has as an advantage that it can be implemented quickly after settlement of the Post Closing Acceptance Period.

9.4 Statutory buy-out procedures and delisting

If, following the Settlement Date and the Post Closing Acceptance Period, the Offeror and/or its Affiliates, have acquired (i) at least 95% of the issued and outstanding ordinary share capital (*geplaatst en uitstaand gewoon kapitaal*) and at least 95% of the voting rights in respect of Delta Lloyd's issued and outstanding share capital (*geplaatst en uitstaand gewoon kapitaal*), or (ii) at least 95% of Delta Lloyd's aggregate issued and outstanding share capital (*geplaatst en uitstaand gewoon kapitaal*), the Offeror will initiate a buy-out procedure (*uitkoopprocedure*) in accordance with article 2:92a or 2:201a of the DCC and/or a takeover buy-out procedure in accordance with article 2:359c of the DCC in order to acquire the remaining Shares not tendered and not held by the Offeror or any of its Affiliates or Delta Lloyd.

10. RECOMMENDATION

Since the initial expression of interest from NN Group and throughout the process, the Executive Board and the Supervisory Board (with and without the Executive Board being present) have met on a very frequent basis to discuss the preparations, developments and progress in relation to the Offer,

as well as the considerations underlying key decisions in connection with the Offer. The Executive Board and the Supervisory Board received extensive financial and legal advice and there was regular contact with DNB. The Boards gave careful consideration to all aspects – including strategic, financial, current trading, operational and social points of view – and consequences of the Offer.

The members of the Boards considered whether any of them has a conflict of interest and they have established that such was not the case.

In order to cater for a proper decision-making process, the Boards discussed and decided on an effective, legitimate allocation of responsibilities in line with Delta Lloyd's defence manual. The Boards appointed a transaction committee, to make recommendations to each of the Boards in relation to Delta Lloyd's strategic alternatives, NN Group's proposal and potential alternative transactions. The decision to enter into the Merger Protocol was made by the Executive Board after the prior approval of the Supervisory Board and after ample deliberation by the Boards including consultation with its key advisors.

Each of the Boards has received extensive financial and legal advice. In addition, (i) Goldman Sachs delivered a fairness opinion to the Boards dated 23 December 2016 that - as of such date and based upon and subject to the factors and assumptions set forth in the fairness opinion - the EUR 5.40 (five euro and forty euro cent) per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, to the Shareholders, collectively, was fair from a financial point of view to such Shareholders (see also Schedule 1) and (ii) Bank of America Merrill Lynch delivered a fairness opinion to the Supervisory Board dated 22 December 2016 that - as of such date and based upon and subject to the factors and assumptions set forth in the fairness opinion - the EUR 5.40 (five euro and forty euro cent) per Share in cash to be paid pursuant to the Offer or the Exchange Ratio of NN Group shares to be issued in connection with the Legal Merger, as applicable, to the Shareholders, collectively, was fair from a financial point of view to such Shareholders (see also Schedule 2).

With reference to the above, and subject to the terms and conditions of the Offer Memorandum, the Boards (i) support the Offer and the Legal Merger, (ii) recommend to the Shareholders to accept the Offer and to tender their Shares pursuant to the Offer and (iii) recommend voting in favour of all Resolutions.

11. AGENDA EXTRAORDINARY GENERAL MEETINGS

In accordance with the Applicable Rules, Delta Lloyd shall convene an extraordinary general meeting to discuss the Offer with the Shareholders (the **Offer EGM**). The Offer EGM shall be held at 10:30 hours CET on 29 March 2017 at the Hilton Hotel, Apollolaan 138 in Amsterdam, The Netherlands.

The intended agenda for the Offer EGM includes resolutions (i) to resolve on the amendment on the Delta Lloyd Articles of Association (ii) appoint Mr Friese, Mr Rueda and Mr Erasmus as Supervisory Board members, (iii) accept the resignation of, and give full and final discharge to, all resigning Supervisory Board members, and (iv) accept the resignation of, and give full and final discharge to, the resigning Executive Board member (collectively the **Offer EGM Resolutions**). The full agenda of the Offer EGM (and the explanatory notes thereto) are included in Schedule 3.

In addition, Delta Lloyd shall convene an extraordinary general meeting to resolve to the Legal Merger (the **Legal Merger EGM**). The Legal Merger EGM will be held immediately following the Offer EGM on 29 March 2017.

The intended agenda of the Legal Merger EGM includes the resolution to resolve to the Legal Merger in accordance with the terms and conditions of the Merger Terms (the **Legal Merger**

Resolution, and together with the Offer EGM Resolutions, the **Resolutions**). The full agenda of the Legal Merger EGM (and the explanatory notes thereto) are included in Schedule 3.

Each of the Resolutions is subject to the conditions precedent that the Offer has been declared unconditional (*gestanddoening*) and Settlement has taken place.

PERSONAL AND CONFIDENTIAL

23 December 2016

Supervisory Board
Executive Board
Delta Lloyd N.V.
Amstelplein 6
1096 BC Amsterdam
The Netherlands

Ladies and Gentlemen:

You have requested our opinion as to the fairness from a financial point of view to the holders (other than NN Group N.V. ("NN") and its affiliates) of the outstanding ordinary shares, with a nominal value of €0.20 per share (the "Shares"), of Delta Lloyd N.V. (the "Company") of the Consideration (as defined below) to be paid to the holders of Shares, collectively, in the Transaction (as defined below) pursuant to the Merger Protocol, dated December 22, 2016 (the "Merger Protocol"), by and between NN and the Company.

The Merger Protocol provides for a recommended full public offer (*volledig openbaar bod*) (the "Offer") for all of the Shares pursuant to which NN or a wholly-owned subsidiary of NN will pay €5.40 in cash for each Share validly tendered under the Offer and not withdrawn (the "Cash Consideration"). The Merger Protocol further provides that if, after the Settlement Date and the Post Acceptance Period (in each case, as defined in the Merger Protocol), NN and its affiliates, alone or together with the Company, hold (i) at least 95% of the Company's issued and outstanding ordinary share capital and at least 95% of the voting rights in respect of the Company's issued and outstanding ordinary share capital or (ii) at least 95% of the Company's aggregate issued and outstanding share capital, NN will commence a compulsory acquisition procedure (*uitkoopprocedure*) or a takeover buy-out procedure to purchase the remaining Shares (either such procedure, the "Procedure"). If (i) the number of Shares tendered for acceptance during the Offer Period (as defined in the Merger Protocol) and the Post Acceptance Period, together with (a) any Shares held by or committed in writing to NN or its affiliates and (b) any shares to which NN is otherwise entitled, represents less than 95% but at least 67% of the Shares, and (ii) holders of Shares resolve at the EGM (as defined in the Merger Protocol) to implement a bilateral or triangular legal merger of the Company with and into NN or any of NN's affiliates (such merger, the "Legal Merger"; together with the Offer, the "Transaction"), NN may pursue the Legal Merger to acquire the remaining Shares. As a result of the Legal Merger, each holder of Shares will receive such number of ordinary shares, with a nominal value €0.12 per share, of NN in exchange for each of such holder's Shares as is equal to the Cash Consideration divided by the NN stock

price on the last day prior to the date of the execution of the Legal Merger (the "Stock Consideration"; the Cash Consideration or the Stock Consideration, as applicable, the "Consideration"). Moreover, the Merger Protocol contemplates that if, after the Post Acceptance Period, NN and its affiliates hold less than 95% of the Company's issued and outstanding ordinary share capital, NN may effect certain Post Closing Measures (as defined in the Merger Protocol) to restructure the Company and its subsidiaries after Settlement (as defined in the Merger Protocol). Among the Post Closing Measures contemplated by the Merger Protocol is a sale of all or substantially all of the Company's assets to NN or an affiliate of NN, which may or may not be followed by a distribution of the proceeds to remaining holders of Shares other than NN and its affiliates.

Goldman Sachs International and its affiliates ("Goldman Sachs") are engaged in advisory, underwriting and financing, principal investing, sales and trading, research, investment management and other financial and non-financial activities and services for various persons and entities. Goldman Sachs and its affiliates and employees, and funds or other entities they manage or in which they invest or have other economic interests or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments of the Company, NN, any of their respective affiliates and third parties, or any currency or commodity that may be involved in the transactions contemplated by the Merger Protocol, including the Transaction. We have acted as financial advisor to the Company in connection with, and have participated in certain of the negotiations leading to, the Transaction. We expect to receive fees for our services in connection with the Transaction, the principal portion of which is contingent upon consummation of the Transaction, and the Company has agreed to reimburse certain of our expenses arising, and indemnify us against certain liabilities that may arise, out of our engagement. We have provided certain financial advisory and/or underwriting services to the Company and/or its affiliates from time to time for which our Investment Banking Division has received, and may receive, compensation, including having acted as global coordinator and joint bookrunner with respect to a rights offering of 227,567,943 new ordinary Company shares in April 2016 and as joint global coordinator and joint bookrunner with respect to an offering by the Company and its affiliates of up to 11,272,729 depositary receipts representing 11,272,729 ordinary shares of Van Lanschot N.V. in June 2016. We may also in the future provide financial advisory and/or underwriting services to the Company, NN and their respective affiliates for which our Investment Banking Division may receive compensation.

In connection with this opinion, we have reviewed, among other things, the Merger Protocol; annual reports of the Company and NN to their respective shareholders for the five fiscal years ended 31 December 2015; certain interim reports of the Company and NN to their respective shareholders; certain other communications from the Company and NN to their respective shareholders; certain publicly available research analyst reports for the Company; certain publicly available research analyst reports for NN, including consensus estimates provided by the Institutional Brokers' Estimate System (the "NN IBES Forecasts"), as approved for our use by the Company; and certain internal financial analyses and forecasts for the Company prepared by its management, as approved for our use by the Company (the

“Forecasts”). We have also held discussions with members of the senior management of the Company regarding their assessment of the past and current business operations, financial condition and future prospects of the Company and NN; reviewed the reported price and trading activity for the Shares and the ordinary shares of NN; compared certain financial and stock market information for the Company and NN with similar information for certain other companies the securities of which are publicly traded; reviewed the financial terms of certain recent public offers in the global insurance industry and in the Netherlands; and performed such other studies and analyses, and considered such other factors, as we deemed appropriate.

For purposes of rendering this opinion, we have, with your consent, relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by, us, without assuming any responsibility for independent verification thereof. In that regard, we have assumed with your consent that the Forecasts have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company. In addition, we have not been provided with any forecasts for NN prepared by its management or by the management of the Company, and we have assumed, at the direction of the Company, that the NN IBES Forecasts reflect the best currently available estimates and judgments of the management of the Company. We have not made an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of the Company or NN or any of their respective subsidiaries and we have not been furnished with any such evaluation or appraisal. We are not actuaries and our services did not include any actuarial determination or evaluation by us or any attempt to evaluate actuarial assumptions, and we have relied on your actuaries with respect to reserve adequacy. In that regard, we have made no analysis of, and express no opinion as to, the adequacy of the loss and loss adjustments expenses reserves, the future policy benefit reserves, the long-term business provision and claims outstanding or the Solvency II capital position of the Company or NN. We have assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company or NN or on the expected benefits of the Transaction in any way meaningful to our analysis. We have assumed that the Transaction will be consummated on the terms set forth in the Merger Protocol, without the waiver or modification of any term or condition the effect of which would be in any way meaningful to our analysis.

Our opinion does not address the underlying business decision of the Company to engage in the Transaction, or the relative merits of the Transaction as compared to any strategic alternatives that may be available to the Company; nor does it address any legal, regulatory, tax or accounting matters. This opinion addresses only the fairness from a financial point of view to the holders (other than NN and its affiliates) of Shares, as of the date hereof, of the Consideration to be paid to such holders of Shares, collectively, pursuant to the Merger Protocol. We do not express any view on, and our opinion does not address, any other term or aspect of the Merger Protocol or the Transaction or any term or aspect of any other agreement or instrument contemplated by the Merger Protocol or entered into or amended in

connection with the Transaction, including, without limitation the Procedure and the Post Closing Measures, or the fairness of the Transaction to, or any consideration received in connection therewith by, the holders of any other class of securities, creditors, or other constituencies of the Company; nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of the Company, or class of such persons, in connection with the Transaction, whether relative to the Consideration to be paid to the holders of Shares, collectively, pursuant to the Merger Protocol or otherwise. We are not expressing any opinion as to the prices at which the Shares or the ordinary shares of NN will trade at any time or as to the impact of the Transaction on the solvency or viability of the Company or NN or the ability of the Company or NN to pay their respective obligations when they come due. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to us as of, the date hereof and we assume no responsibility for updating, revising or reaffirming this opinion based on circumstances, developments or events occurring after the date hereof. Our advisory services and the opinion expressed herein are provided solely for the information and assistance of each of the Supervisory Board and Executive Board of the Company in connection with their consideration of the Transaction and such opinion does not constitute a recommendation as to whether or not any holder of Shares should tender such Shares in connection with the Offer or how any holder of Shares should vote or act with respect to the Legal Merger or any other matter. This opinion has been approved by a fairness committee of Goldman Sachs.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be paid to the holders (other than NN and its affiliates) of Shares, collectively, in the Transaction pursuant to the Merger Protocol is fair from a financial point of view to such holders.

FULL TEXT FAIRNESS OPINION BANK OF AMERICA MERRILL LYNCH

CONFIDENTIAL

22 December 2016

The Supervisory Board
Delta Lloyd N.V.
Amstelplein 6
1096 BC Amsterdam

Members of the Supervisory Board,

We understand that Delta Lloyd N.V. ("Delta Lloyd") proposes to enter into a Merger Protocol, dated on or about 22 December 2016 (the "Merger Protocol"), among Delta Lloyd and NN Group N.V. ("NN"), pursuant to which, among other things, NN or a wholly owned subsidiary of NN intends to make a voluntary public offer (the "Offer") for the outstanding ordinary shares, nominal value €0.20 per share, of Delta Lloyd (the "Delta Lloyd Shares") for consideration of €5.40 per Delta Lloyd Share in cash (the "Cash Consideration").

The Merger Protocol provides for a recommended full public offer (*volledig openbaar bod*) for all of the Delta Lloyd Shares pursuant to which NN or a wholly owned subsidiary of NN will pay the Cash Consideration for each Delta Lloyd Share validly tendered under the Offer and not withdrawn. The Merger Protocol further provides that after the Settlement Date and the Post Acceptance Period (in each case, as defined in the Merger Protocol), if NN and its affiliates hold at least 95% of Delta Lloyd's issued and outstanding ordinary share capital and at least 95% of the voting rights in respect of Delta Lloyd's issued and outstanding ordinary share capital or at least 95% of Delta Lloyd's aggregate issued and outstanding share capital, NN will commence a compulsory acquisition procedure (*uitkoopprocedure*) or a takeover buy-out procedure to purchase the remaining Delta Lloyd Shares (either such procedure, the "Procedure"). Under the Merger Protocol, if (i) the number of Delta Lloyd Shares tendered for acceptance during the Offer Period (as defined in the Merger Protocol) and the Post Acceptance Period, together with (a) any Delta Lloyd Shares held by or committed in writing to NN or its affiliates and (b) any Delta Lloyd Shares to which NN is otherwise entitled, represents less than 95% but at least 67% of the issued and outstanding ordinary share capital of Delta Lloyd, and (ii) certain other conditions are met, then, at the request of NN, Delta Lloyd will merge with and into NN or a wholly owned subsidiary of NN (such merger, the "Legal Merger" and, together with the Offer, the "Transaction"). As a result of the Legal Merger, each holder of Delta Lloyd Shares will receive such number of ordinary shares, with a nominal value of €0.12, per share, of NN in exchange for each of such holder's Delta Lloyd Shares as is equal to the Cash Consideration divided by the NN stock price on the last day prior to the date of the consummation of the Legal Merger (the "Stock Consideration" and the Cash Consideration or the Stock Consideration, as the case may be, the "Consideration"). Moreover, the Merger Protocol contemplates

The Supervisory Board
Delta Lloyd N.V.

that, if NN and its affiliates hold less than 95% of Delta Lloyd's issued and outstanding ordinary share capital after the Post Acceptance Period, NN may effect certain Post Closing Measures (as defined in the Merger Protocol) to restructure Delta Lloyd and its subsidiaries after Settlement (as defined in the Merger Protocol). Among the Post Closing Measures contemplated by the Merger Protocol is a sale of all or substantially all of the Delta Lloyd's assets to NN or an affiliate of NN, which may or may not be followed by a distribution of the proceeds to remaining holders of Delta Lloyd Shares other than NN and its affiliates. The terms and conditions of the Offer, the Legal Merger, the Post Closing Measures and the other transactions contemplated by the Merger Protocol are more fully set forth in the Merger Protocol.

You have requested our opinion as to the fairness, from a financial point of view, to the holders of Delta Lloyd Shares (other than NN and its affiliates) of the Consideration to be received by such holders, collectively, in the Transaction.

In connection with this opinion, we have, among other things:

- (a) reviewed certain publicly available business and financial information relating to Delta Lloyd and NN;
- (b) reviewed certain internal financial and operating information with respect to the business, operations and prospects of Delta Lloyd furnished to or discussed with us by the management of Delta Lloyd, including certain financial forecasts relating to Delta Lloyd prepared by the management of Delta Lloyd (such forecasts, "Delta Lloyd Forecasts");
- (c) reviewed certain publicly available research analyst reports for NN, including consensus estimates provided by the Institutional Brokers' Estimate System (such forecasts, the "NN IBES Forecasts");
- (d) discussed the past and current business, operations, financial condition and prospects of Delta Lloyd, including the regulatory framework within which Delta Lloyd operates and regulatory trends and anticipated regulatory developments, with members of senior management of Delta Lloyd, and discussed the past and current business, operations, financial condition and prospects of NN with members of senior management of Delta Lloyd;
- (e) reviewed the trading histories for Delta Lloyd Shares and ordinary shares of NN and a comparison of such trading histories with the trading histories of other companies we deemed relevant;
- (f) compared certain financial information of Delta Lloyd and NN with similar information of companies we deemed relevant;

The Supervisory Board
Delta Lloyd N.V.
Page 3

- (g) compared certain financial terms of the Offer and the Legal Merger to financial terms, to the extent publicly available, of other transactions we deemed relevant;
- (h) considered the fact that Delta Lloyd had received a public and unsolicited approach from NN, which was publicly rejected, and that in connection therewith Delta Lloyd started to explore its strategic alternatives;
- (i) reviewed, through discussions with Delta Lloyd's Management Board, the outcome of the actions undertaken by the financial advisor of Delta Lloyd's Management Board, on behalf of Delta Lloyd to solicit, at the direction of Delta Lloyd, indications of interest and definitive proposals from third parties with respect to a possible offer for the Delta Lloyd Shares;
- (j) reviewed a draft of the Merger Protocol dated 22 December 2016 (the "Draft Merger Protocol"); and
- (k) performed such other analyses and studies and considered such other information and factors as we deemed appropriate.

In arriving at our opinion, we have assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with us and have relied upon the assurances of the management of Delta Lloyd that they are not aware of any facts or circumstances that would make such information or data inaccurate or misleading in any material respect. With respect to the Delta Lloyd Forecasts, we have been advised by Delta Lloyd, and have assumed, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Delta Lloyd as to the future financial performance of Delta Lloyd. We have not been provided with any forecasts for NN prepared by its management or by the management of Delta Lloyd. With respect to the NN IBES Forecasts, we have been advised by Delta Lloyd, and have assumed, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Delta Lloyd as to the future financial performance of NN. We have not made or been provided with any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Delta Lloyd or NN, nor have we made any physical inspection of the properties or assets of Delta Lloyd or NN. We have considered the Solvency II capital ratio of Delta Lloyd but have not evaluated the solvency or fair value of Delta Lloyd or NN under any laws relating to bankruptcy, insolvency or similar matters. We have assumed, at the direction of Delta Lloyd, that the Transaction will be completed in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the Transaction, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, will be imposed that would have an adverse effect on Delta Lloyd, NN or the contemplated benefits of the Transaction. We

The Supervisory Board
Delta Lloyd N.V.
Page 4

also have assumed, at the direction of Delta Lloyd, that the final executed Merger Protocol will not differ in any material respect from the Draft Merger Protocol reviewed by us.

We express no view or opinion as to any terms or other aspects of the Transaction (other than the Consideration to the extent expressly specified herein), including, without limitation, the Procedure, the Post Closing Measures and the form or structure of the Transaction. We were not requested to, and we did not, participate in the negotiation of the terms of the Transaction. We express no view or opinion as to any such matters. As you are aware, we were not requested to, and we did not, solicit indications of interest or proposals from third parties regarding a possible offer for the Delta Lloyd Shares or any alternative transaction. Our opinion is limited to the fairness, from a financial point of view, of the Consideration to be received by holders of Delta Lloyd Shares, collectively, in the Transaction and no opinion or view is expressed with respect to any consideration received in connection with the Transaction by the holders of any other class of securities, creditors or other constituencies of any party. In addition, no opinion or view is expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Transaction, or class of such persons, relative to the Consideration. Furthermore, no opinion or view is expressed as to the relative merits of the Transaction in comparison to other strategies or transactions that might be available to Delta Lloyd or in which Delta Lloyd might engage or as to the underlying business decision of Delta Lloyd to proceed with or effect the Transaction. In addition, we express no opinion or recommendation as to how any shareholder should vote or act in connection with the Transaction or any related matter.

We have acted as financial advisor to the Supervisory Board of Delta Lloyd in connection with the Transaction and will receive a fee for our services a significant portion of which is contingent upon completion of the Transaction. In addition, Delta Lloyd has agreed to reimburse our expenses and indemnify us against certain liabilities arising out of our engagement.

We and our affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities, and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of our businesses, we and our affiliates may invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or otherwise effect transactions in equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of Delta Lloyd, NN and certain of their respective affiliates.

We and our affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Delta Lloyd and have received or in the future may receive compensation for the rendering of these services, including having acted or acting as (i) Joint Bookrunner in connection with the €650m rights issue by Delta Lloyd and (ii) Joint Bookrunner in connection with the re-IPO of Van Lanschot N.V. on behalf of Delta Lloyd.

The Supervisory Board
Delta Lloyd N.V.

In addition, we and our affiliates may in the future provide, investment banking, commercial banking and other financial services to NN and in the future may receive compensation for the rendering of these services.

It is understood that this letter is for the benefit and use of the Supervisory Board of Delta Lloyd (in its capacity as such) in connection with and for purposes of its evaluation of the Transaction and is not rendered to or for the benefit of, and shall not confer rights or remedies upon, any person other than the Supervisory Board of Delta Lloyd. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party, nor shall any public reference to us be made, for any purpose whatsoever except with our prior written consent in each instance.

AGENDA EGMS AND EXPLANATORY NOTES

Extraordinary General Meetings of Shareholders

Wednesday 29 March 2017

Dear shareholder,

We have the pleasure of inviting you to the extraordinary general meetings of Delta Lloyd N.V. (Delta Lloyd) to be held at 10:30 am CET on Wednesday 29 March 2017 at the Hilton Hotel, Apollolaan 138 in Amsterdam (the EGMs). The agenda and explanatory notes are attached.

On 23 December 2016, Delta Lloyd and NN Group jointly announced that they reached conditional agreement in connection with a recommended public cash offer by NN Group N.V. (NN Group) for all issued and outstanding ordinary shares in the capital of Delta Lloyd (the Shares) at an offer price of EUR 5.40 in cash per Share (cum dividend) (the Offer).

Before reaching the conditional agreement, the Executive Board of Delta Lloyd and the Supervisory Board of Delta Lloyd (the Boards) made a thorough assessment of the Offer versus the standalone alternative and other strategic alternatives, weighing up the interests of Delta Lloyd and its stakeholders, including the Shareholders. The Boards have followed a comprehensive process and have given careful consideration to determine the best strategic option for Delta Lloyd. This process as well as the Boards' considerations are outlined in Delta Lloyd's position statement dated 2 February 2017 (the Position Statement). The Position Statement is available on Delta Lloyd's website www.deltalloyd.com and the Boards advise you to read it in full.

Although this letter is not a substitute for reading the Position Statement, we find it important to bring a number of our considerations with respect to the Offer to your attention in this letter.

A strong business in a highly competitive, mature market

Delta Lloyd has built a successful business across Life Insurance, General Insurance and Asset Management, using a strong multi-channel, multi-label platform. Despite Delta Lloyd's strong commercial and operational business, it was clear to the Boards that Delta Lloyd faced a number of challenges around our capital position in the era of Solvency II, which became effective on 1 January 2016. In November 2015, we therefore launched a plan of management actions and capital measures, along with a revised strategy: Closer to the Customer. In 2016, we made good progress on implementing the Closer to the Customer strategy and our management priorities of capital, performance and customers. We have substantially improved the group's capital position. Furthermore, the holding company's cash position structurally improved, but our leverage still remains relatively high. We however recognize risks of achieving the strategic priorities capital, performance and customers. Delta Lloyd operates in a highly competitive, mature market, where margins on both life and non-life products are under pressure. In order to remain competitive, significant investments in, for example, online services, digital processes are key. Scale benefits are important to deliver acceptable margins. We believe that consolidation in the Dutch market will and should take place in the near or mid-term future, and we have consistently said so.

In addition, the environment also remains challenging, with volatile markets, record low interest rates, leading to low yields and EIOPA's pending review of the ultimate forward rate (UFR) methodology. In our trading update regarding the first nine months of 2016, we reported a decrease of the Solvency II capital ratio to 156%, from 173% at end June, reflecting these market headwinds.

Revaluation of the strategic options in the fourth quarter of 2016

On 5 October 2016, NN Group publicly announced its intention to make an all-cash offer for Delta Lloyd at an offer price of EUR 5.30 (cum dividend). This development made it necessary to reevaluate our strategic options. Consistent with our fiduciary duties, the Boards entered into talks with NN Group to assess whether a transaction would be feasible that would create compelling value for Shareholders and deliver benefits to other stakeholders. In the course of the evaluation of Delta Lloyd's strategic alternatives, the Boards have also actively explored combinations with two other companies than NN Group and considered continuing on a standalone basis.

In the fourth quarter of 2016, Delta Lloyd continued to deliver on the management actions. However, also a number of developments transpired that negatively affected our valuation. Whilst Delta Lloyd expected the Solvency II ratio to have benefited from the closure of the duration gap and favourable market movements related to increased interest rates and spreads, we also expected the Solvency II ratio to be adversely affected by the LAC-DT review by DNB, the possible removal of the risk margin benefit of the longevity hedge and adverse longevity developments. Each of these developments was taken into account by the Boards in their evaluation of the standalone scenario.

Following a decisive meeting on 22 December 2016, NN Group increased its offer price to EUR 5.40 (cum dividend) per share. Moreover, NN Group and Delta Lloyd agreed to certain non-financial covenants in respect of corporate governance, post-closing legal merger, strategy, organisation, integration and employees. The offer price of EUR 5.40 represents a premium of approximately 31% over the closing price of EUR 4.12 per share on 4 October 2016, the last trading day before NN Group initially announced its intention to make an offer for Delta Lloyd; a premium of approximately 38% relative to the average closing price per share during the last month prior to the initial announcement; and a premium of approximately 55% relative to the average closing price per share of Delta Lloyd during the last three months prior to the initial announcement.

A leading insurance and asset management company in the Netherlands

The Boards believe that the combination of the Dutch and Belgium activities of both Delta Lloyd and NN Group will result in an overall stronger platform within the Benelux from which to provide enhanced customer propositions and generate shareholder return. The combination will have a robust balance sheet and solid Solvency II ratio of approximately 189% (pro forma Q3 2016). The combination will be better placed to capture opportunities that technological innovation brings and will provide increased possibilities for knowledge sharing, strengthening capabilities and talent development. It will bring a perspective of growth and lead to opportunities for employees of both companies and will facilitate continuous improvement in customer service and experience.

Today, NN Group published its offer memorandum (the Offer Memorandum), thereby formally launching the Offer. As of tomorrow, you can tender your Shares under the Offer upon the terms and subject to the conditions set out in the Offer Memorandum, which is also available on Delta Lloyd's website.

Subject to the terms and conditions of the Offer Memorandum, and as further set out in the Position Statement, the Boards support the Offer and the Legal Merger, recommend you to accept the Offer and to tender your Shares pursuant to the Offer, and recommend you to vote in favour of all resolutions at the EGMs.

We look forward to welcoming you at the EGMs.

Yours sincerely,

Rob Ruijter
(Chairman of the Supervisory Board)

Hans van der Noordaa

First EGM

1. Explanation of the recommended public offer that has been made by or on behalf of NN Group (*discussion item*)

On 23 December 2016, NN Group N.V. (NN Group) and Delta Lloyd jointly announced that they had reached conditional agreement in connection with the Offer at an offer price of EUR 5.40 (cum dividend) for each issued and outstanding ordinary share in the capital of Delta Lloyd (the Offer Price).

The Offeror made the Offer by making publicly available an offer memorandum on 2 February 2017 (the Offer Memorandum). The Offer Period under the Offer begins at 9:00 am CET on 3 February 2017 and, unless extended, ends at 5:40 pm CET on 7 April 2017.

In addition to key terms such as the Offer Price, the acceptance period, tender procedure and settlement of the Offer by transfer of the Delta Lloyd shares against payment of the Offer Price by NN Group Bidco B.V., a wholly owned subsidiary of NN Group (the Offeror), the Offer Memorandum contains an explanation of the conditions to declaring the Offer unconditional and other relevant information regarding the Offer and the Legal Merger and the parties involved in the Offer.

Delta Lloyd published a position statement relating to the Offer on 2 February 2017 (the Position Statement). The Executive Board and the Supervisory Board have extensively considered the Offer and the Offer Price. Reference is made to the Position Statement, in which the decision-making process and the recommendation of the Executive Board and the Supervisory Board are included, and the strategic, financial and non-financial merits of the Offer are explained.

The Works Council of Delta Lloyd (the Works Council) has been informed regarding the Offer and the Legal Merger. Having obtained the Works Council's positive advice, the employee consultation process in respect of the Offer and the Legal Merger has been completed.

During the First EGM, Delta Lloyd will give a presentation on the Offer and the Legal Merger and, in accordance with section 18 of the Netherlands Decree on Public Takeover Bids (Besluit openbare biedingen Wft), the Offer will be discussed.

The Offer Memorandum and Position Statement are available for inspection at the head office of Delta Lloyd (Amstelplein 6, 1096 BC Amsterdam, the Netherlands). Copies may be obtained free of charge by shareholders and other persons entitled to take part in the First EGM. The documents are also available at www.deltalloyd.com.

2. Conditional amendments of the Articles of Association (*voting item*)

In relation to the Offer, NN Group and Delta Lloyd have agreed that if the Offer is declared unconditional, changes are to be made to the corporate governance structure of Delta Lloyd as included in the articles of association of Delta Lloyd (the Articles of Association) effective as per the Settlement Date and the date of delisting of Delta Lloyd from Euronext Amsterdam and Euronext Brussels (Date of Delisting) respectively, in accordance with Proposal I and Proposal II below.

In this respect, the Executive Board proposes, with the prior approval of the Supervisory Board to the General Meeting of Shareholders:

- a. to resolve to amend the Articles of Association as per the Settlement Date in accordance with Proposal I; and
- b. to resolve to amend the Articles of Association as per the Date of Delisting in accordance with Proposal II, each resolution being subject to the condition precedent that the Offer is declared unconditional.

a. **Proposal to amend the Articles of Association as per the Settlement Date (*voting item*)**

Proposal I concerns changes in the governance and capital structure of Delta Lloyd that will be effected if the Offer is declared unconditional and Settlement has taken place. Such changes reflect the fact that settlement will result in Delta Lloyd having the Offeror as its majority shareholder. Amongst other things the following amendments are proposed: (i) the deletion of the mandatory provisions that have been included in the Articles of Association because of its status as a so-called large company for the purposes of the Dutch Civil Code (*structuurvennootschap*), (ii) the removal of the preference shares B (protective preference shares) as a separate share class, (iii) the removal of certain so-called oligarchic provisions pursuant to which certain resolutions by the General Meeting of Shareholder can only be made upon proposal by the Executive Board with the approval of the Supervisory Board, (iv) the introduction of the four eyes principle for representation of Delta Lloyd and (v) technical changes that reflect recent changes in law or regulations.

For a more detailed explanation of the Proposal I, reference is made to the separate notes to this Proposal I. Proposal I with the separate notes is attached as [Annex I](#). These documents are also available for inspection and copies can be obtained free of charge at the head office of Delta Lloyd in Amsterdam, the Netherlands and can be viewed on the website of Delta Lloyd: www.deltalloyd.com.

b. **Proposal to amend the Articles of Association as per the date of delisting from Euronext Amsterdam and Euronext Brussels (*voting item*)**

If the conditions of the Offer are met, completion of the Offer will be followed by a delisting of the Shares from Euronext Amsterdam and Euronext Brussels. Effective as of the delisting, the Articles of Association will again be amended to: (i) reflect that Shares remain included in the Statutory Giro System of the Securities Bank Giro Transaction Act but are no longer listed (and traded) via the

platforms of Euronext Amsterdam and Euronext Brussels and (ii) replace provisions that are mandatory or typical for listed companies but do not apply to or are less suitable for a non-listed entity.

For the avoidance of doubt it is noted that by the Proposal II all references to the Supervisory Board in the Articles of Association will be included in a so-called transitory provision that only forms part of the Articles of Association until the two continuing members of the Supervisory Board have been appointed to the supervisory board of NN Group in accordance with the agreements about the corporate governance between NN Group and Delta Lloyd as described in the Offer Memorandum and the Position Statement. Following such appointments, the Supervisory Board within Delta Lloyd will automatically be abolished.

For a more detailed explanation of the Proposal II, reference is made to the separate notes to this Proposal II. Proposal II with the separate notes is attached as [Annex II](#). These documents are also available for inspection and copies can be obtained free of charge at the head office of Delta Lloyd in Amsterdam, the Netherlands and can be viewed on the website of Delta Lloyd: www.deltalloyd.com.

The proposed amendments to the Articles of Association are also included in section 14 of the Offer Memorandum. The aforementioned proposals to resolve to amend the Articles of Association each include a proposal to authorize each member of the Executive Board, as well as each (deputy) civil law notary and paralegal employed by Freshfields Bruckhaus Deringer in Amsterdam, the Netherlands, to execute such notarial deeds of amendment to the Articles of Association and to undertake all other activities that the holder of the power of attorney deems necessary or useful in connection therewith.

4. Conditional composition of the Supervisory Board (*discussion and voting item*)

Introduction

During the First EGM, Delta Lloyd will explain the conditional legal merger (juridische fusie) between Delta Lloyd (as disappearing company), the Offeror (as acquiring entity) and NN Group (as entity allotting new shares) (the Legal Merger) in accordance with the merger terms drawn up by the executive boards of Delta Lloyd, the Offeror and NN Group (the Merger Terms).

An overview of certain key terms of the Legal Merger is set out below. Further reference is made to chapter 9 of the Position Statement and section 6.11.5 of the Offer Memorandum, in which a comprehensive description of the Legal Merger and the rationale are set out, as well as to the Merger Terms which have been made available at the offices of Delta Lloyd and at Delta Lloyd's website as per the convocation of the EGMs together with other documents required by law. The Merger Terms as well as the other documents required by law will also be filed with the Dutch Chamber of Commerce.

Key terms and conditions:

The Legal Merger will be effectuated in the form of a triangular merger whereby Delta Lloyd will cease to exist, the Offeror will acquire all assets and assume all liabilities of Delta Lloyd under universal title of succession and all shares in the share capital of Delta Lloyd will cease to exist against the allotment of shares in the share capital of NN Group to the Shareholders of Delta Lloyd.

In accordance with the Offer Memorandum, the exchange ratio for the issued and outstanding ordinary shares in the share capital of Delta Lloyd (the Delta Lloyd Ordinary Shares) is such that in exchange for each Delta Lloyd Ordinary Share such fraction of one ordinary share in the share capital of NN Group (NN Group Ordinary Share) will be allotted as follows from the calculation whereby the offer price per Delta Lloyd Ordinary Share of EUR 5.40 is divided by the stock price of a NN Group Ordinary Share on the last day prior to the date of execution of the notarial deed of merger.

The NN Group Shares which are to be allotted to Shareholders of Delta Lloyd on occasion of the Legal Merger, will carry equal rights with respect to profit entitlement as the currently issued ordinary shares in the capital of NN Group. For further details about the exchange ratio reference is made to the publicly filed Merger Terms.

The Works Council has rendered a positive advice on the Legal Merger.

The Legal Merger will not be implemented if the acceptance level of the Offer after the Post Closing Acceptance Period is equal to or higher than 95%. The Legal Merger may only be implemented, to be decided by NN Group, if and after the Offer is declared unconditional and after the Post Closing Acceptance Period. The Boards have the right to re-evaluate the terms and conditions of the Legal Merger if fewer than 67% of the issued and outstanding Delta Lloyd Ordinary Shares are held by the Offeror and its Affiliates after the Post Closing Acceptance Period.

As set out in the introduction to these explanatory notes, the Legal Merger will be explained and discussed during the First EGM. During the Second EGM, which will immediately follow the First EGM, the General Meeting of Shareholders will be asked to resolve to the Legal Merger.

In the proposal in respect thereof, the reasons for the proposal and the selection of the intended issue price shall be explained in writing. With the approval of the Supervisory Board, pre-emptive rights may also be limited or excluded by the Executive Board if designated by the Articles of Association or in a resolution of the General Meeting as being authorized to limit or exclude pre-emptive rights for a specified period not exceeding five years; such designation can only be effected if the Executive Board has also been, or is simultaneously, designated as referred to in Article 7.1. The designation may be extended for no longer than five years at a time. The designation only applies as long as a designation, as referred to in Article 7.1, is in force. - 9.2 Payments made on Preference Shares A above the nominal amount create the share premium reserve A. Distributions out of the reserve can only benefit the holders of Preference Shares A and can only be made on the proposal of the Executive Board as approved by the Supervisory Board and by the meeting of holders of Preference Shares A, provided that, if with due

observance to the provisions of Article 13 a resolution is adopted to cancel all at the time of the resolution outstanding Preference Shares A, the share premium reserve A will be distributed to the holders of Preference Shares A, such in proportion to the Preference Shares A held by each of them.

The Shares referred to in the previous sentence shall not be included in the calculation of the profit appropriation, unless such Shares or the depositary receipts for such Shares are subject to a usufruct for the benefit of a party other than the Company.

Nor may the Company or a Subsidiary exercise voting rights for Shares in the capital of the Company in respect of which the Company or Subsidiary has a right of usufruct or a pledge.
No voting rights can be exercised for Shares for which the Company or a Subsidiary holds the depositary receipts.
For the purposes of determining whether a specific part of the capital is represented at the meeting or whether a majority represents a specific part of the capital, the capital shall be reduced by the value of the Shares for which no voting rights can be exercised.

The Shares concerned shall be designated in such resolution and provisions for the implementation of such resolution shall be made therein.
- 13.2 A resolution to cancel Shares can only relate to:

In the absence of all Supervisory Directors, the meeting itself shall appoint its chairman. The chairman shall appoint the secretary.

Article 34. Minutes.

- 34.1 Minutes of the meeting shall be taken, unless a notarial record is made of the proceedings at the meeting. A draft of the minutes shall be placed on the Company's website no later than three months after the meeting, after which Shareholders and other persons holding Meeting Rights shall have three months' time to respond to the report. The minutes shall then be adopted, as

is evidenced by the signatures of the chairman and the secretary. The notarial deed of proceedings at the meeting shall be co-signed by the chairman. Based on the attendance list referred to in Article 35.6, the notarial record or minutes shall state the number of Shares represented in the meeting and the number of potential votes; the attendance list referred to in Article 35.6 is not part of the notarial record nor the minutes and will not be disclosed to the Shareholders or other persons holding Meeting Rights unless a Shareholder or another person holding Meeting Rights Receipts can prove that in viewing the list, he has a reasonable interest in the correct proceeding of the meeting in question.

After execution of the notarial deed of proceedings at the meeting or after adoption of the minutes by the chairman and the secretary, copies of the notarial record or the minutes shall be placed on the Company's website.

- 34.2 The chairman of the meeting, every member of the Executive Board and every Supervisory Director can, at any time, order the preparation of a notarial record at the Company's expense.
- 34.3 All matters concerning admission to the General Meeting, exercising the voting rights and the results of the votes, as well as all other matters related to the meeting proceedings are decided by the chairman of the meeting in question, without prejudice to the provisions in Section 2:13 subsection 4 of the Dutch Civil Code.
- 34.4 The chairman of the meeting in question is authorised to admit persons to the meeting other than Shareholders, other persons holding Meeting Rights and their representatives.

Article 35. Rights at meetings.

- 35.1 Each Shareholder and each other person holding Meeting Rights shall be authorized, either in person or represented by a representative authorized in writing, to take part in the General Meeting, to address the meeting and, to the extent applicable, exercise his voting right. Furthermore, the Auditors as referred to in Article 41 are authorized to attend the General Meeting and to address the meeting.
- 35.2 For each General Meeting of Shareholders a record date will be applied, which will be the twenty-eighth day prior to the day of the meeting (or, as the case may be, the day that at any time is set by law as record date), in order to determine which persons are deemed entitled to attend the General Meeting, for the purpose of Article 35.1. The record date and the manner in which Shareholders can register and exercise their rights themselves or by a written representative will be set out in the notice of the meeting.
- 35.3 A Shareholder, another person holding Meeting Rights or his proxy will only be admitted to the meeting if he has notified the company of his intention to attend the meeting if he has notified the Company of his intention to attend the meeting in writing at the address and by the date specified in the notice of

meeting. A Shareholder or his proxy will only be admitted to the meeting, if the Shares in question are registered in the Shareholder's name on the record date referred to in Article 35.2. The proxy is also required to produce written evidence of his mandate. The Company offers those entitled to attend meetings the opportunity to notify the Company by electronic means of a power of attorney granted.

- 35.4 The Executive Board may decide that the right to attend the meeting referred to in Article 35.1 can be exercised by using any electronic means of communication. To do so, it must always be possible that the person entitled to attend the meeting can be identified through the electronic means of communication, that he must be able to directly follow the discussions at the meeting and that he can exercise his right to vote, if he is entitled to do so. Moreover, the Executive Board may also decide that the person entitled to attend the meeting can participate in the discussion via the electronic means of communication.
- 35.5 The Executive Board may give further requirements with respect to the use of the electronic means of communication as referred to in Article 35.4, provided such conditions are reasonable and necessary for the identification of the person entitled to attend the meeting and the reliability and safety of the communication. These requirements shall be announced in the convening notice. The foregoing does, however, not restrict the authority of the chairman of the meeting to take such action as he deems fit in the interest of the meeting being conducted in an orderly fashion. Any non- or malfunctioning of the means of electronic communication used is at the risk of the Shareholder using the same.
- 35.6 Each person eligible to vote or his representative shall sign the attendance list before the commencement of the meeting, or have his presence recorded on the attendance list. The names of persons who participate in the meeting in accordance with Article 35.4 or who have cast their votes as referred to in Article 36.3, shall be added to the attendance list.

- 36.1 In the General Meeting, each Share confers the right to cast one (1) vote.
- 36.2 Blank votes and invalid votes are deemed not to have been cast.
- 36.3 The Executive Board may decide that votes that are cast before the General Meeting via electronic means of communication or by letter are the equivalent of votes that are cast during the meeting. These votes cannot be cast before the record date announced in the convening notice as referred to in Article 35.2. Without prejudice to the other provisions in 34.4, the convening notice announces the manner in which those entitled to vote and attend the meeting can exercise their rights prior to the meeting.

Article 37. Voting.

- 37.1 Resolutions shall be passed by an absolute majority of the votes, unless the law or these Articles of Association explicitly prescribe a larger majority.
- 37.2 The chairman of the meeting will decide whether and to what extent votes are taken orally, in writing, electronically or by acclamation.
- 37.3 If a majority of the votes cast is not obtained in an election of a person, a second free vote shall be taken.
If again no absolute majority is reached, another vote shall be held to decide between the two persons who received the most votes in the second free vote. If two or more persons have received the same number of votes and therefore more than two persons are eligible for the revote, an interim vote shall be held between the person who received the highest number of votes in the second free vote – and did so after the person who received the highest number of votes – and the person who received the second-highest number of votes. Should an interim vote or revote fail to lead to a decision because of a tie in voting, then no decision shall be taken.
- 37.4 In the event of a tie in voting on topics other than the election of persons, the proposal shall be rejected.
- 37.5 The members of the Executive Board and the members of the Supervisory Board have as such an advisory role in the General Meeting.

However, if a Shareholder has provided the Company with another address for the purpose of receiving such notice, the notice may alternatively be sent to such other address. The provisions of Article 6.7 apply mutatis mutandis.
- 38.4 Resolutions of holders of Preference Shares A may also be adopted in writing without recourse to a meeting, provided they are adopted by unanimous vote representing all relevant holders of Preference Shares A.

The Shareholders and other persons holding Meeting Rights may inspect those documents there and obtain a copy free of charge.
- 39.9 The General Meeting shall adopt the annual accounts. Within five days after the adoption of the annual accounts, the Company shall send the adopted annual accounts to the Netherlands Authority for the Financial Markets. If the annual accounts are not adopted within six months after the end of the financial year, the Company shall inform the Netherlands Authority for the Financial Markets.
- 39.10 At the General Meeting at which it is resolved to adopt the annual accounts, a proposal concerning release of the members of the Executive Board from liability for the management pursued and a proposal concerning release of the members of the Supervisory Board from liability for their supervision, insofar as the exercise of their duties is reflected in the annual accounts or otherwise disclosed to the General Meeting prior to the adoption of the annual accounts, shall be brought up separately for discussion.

Article 40. Semi-annual financial reporting.

The General Meeting and the party that granted the assignment to an Auditor can withdraw the assignment at any time; in addition, the assignment granted by the Executive Board can be withdrawn by the Supervisory Board. The provisions of Section 2:393 subsection 2 of the Dutch Civil Code shall also apply to the withdrawal of an assignment to an Auditor.
- 41.3 Both the Executive Board and the Supervisory Board may grant assignments to the Auditor referred to in Article 41.1 or another Auditor at the Company's expense.

If in said lastly passed financial year Preference Shares A have been subscribed for, repayment has been made of the nominal amount of Preferences Shares A, additions or distributions, as the case may be, have been made to/from the

dividend reserve or the share premium reserve A, one will take into account at calculating the amount to be added the average amounts of nominal capital and the share premium reserve A respectively of the size of the dividend reserve A whereas furthermore the calculation according to time will be made, provided that the Preference Shares A that are subscribed for in the financial year nineteen hundred ninety-nine are profitable as from one October of that year, so that at the calculation of the addition to the dividend reserve A to the charge of the profit on said financial year one will assume that those Preference Shares A have been placed on one October nineteen hundred ninety-nine.

Aforementioned percentage will be increased on the first ten financial years following the financial year in which for the first time an addition as referred to above has been made, each year with a percent of the lastly applicable percentage. If in any financial year the profit is not sufficient to make the addition referred to above, the provisions of the Articles 42.1 through 42.3 will only apply if the deficit has been replenished.

The General Meeting may not resolve to cancel the dividend reserve A.

Distributions to the charge of the dividend reserve A will be made by virtue of a resolution of the meeting of holders of Preference Shares A. A distribution will be made to the holders of Preference Shares A in proportion to the number of Preference Shares A they own.

- 42.2 Out of the profit that has not been added to the dividend reserve A in accordance with the provisions of the Article 42.1, such reservations will be made as the Executive Board will determine.
- 42.3 The profit that remains after application of the Articles 42.1 and 42.2 shall be at the disposal of the General Meeting provided that no further distributions will be made on the Preference Shares A as prescribed in Articles 42.1.

The Company shall file the statement of assets and liabilities at the office of the Commercial Register within eight days after the day the distribution is divulged.

- 42.8 The General Meeting may resolve that a distribution on Ordinary Shares shall take place, in whole or in part, not in money but in Shares in the Company.

Notes: Proposal I to amend the Articles of Association as per the Settlement Date

Proposal I concerns changes in the governance and capital structure of Delta Lloyd that will be effected if the Offer is declared unconditional and Settlement has taken place. Such changes reflect the fact that Settlement will result in Delta Lloyd having the Offeror as its majority shareholder.

References to the Articles of Association preceded by the term ‘*old*’ are references to articles of the current Articles of Association. References preceded by the term ‘*new*’ are references to articles of the Articles of Association as they are proposed to read after the amendment of the Articles of Association in accordance with this Proposal I.

- It is proposed that the authorized capital will no longer include preference shares B (protective preference shares). In connection thereto all references to preference shares B are deleted, including provisions regarding the issuance of preference shares B and provisions regarding dividend and distributions on preference shares B, also in case of liquidation of Delta Lloyd (see *old* articles 1.1, 4.1, 6.1, 7.8, 9.3, 10.2, 13.2, 13.4, 13.6, 40, 44.1, 44.4, 44.6 and 47.3).
- It is proposed that mandatory provisions as included in the Articles of Association because of its status as a so-called large company for the purposes of the Dutch Civil Code (*structuurvennootschap*) will be deleted, such as the reference to ‘Dependent Companies’, provisions regarding the appointment, suspension and dismissal of Supervisory Board members, and references to the Works Council, on the understanding that the latter does not intend to affect the statutory rights of the Works Council under Dutch law (see *old* articles 1.1, 2.3, 18.2, 18.3, 18.4, 18.5, 18.8, 22.1, 23.3, 23.4, 24, 25, 27 and 28).
- It is proposed that certain so-called oligarchic provisions pursuant to which certain resolutions by the general meeting can only be made upon proposal of the Executive Board with the approval of the Supervisory Board are being deleted (see *old* articles 7.1, 7.4, 7.5, 8.2, 8.4, 13.1, 32.1(i), 44.7, 44.9, 45.1, 46.1 and 46.3).
- It is proposed to introduce a ‘four eyes’ principle for representation of Delta Lloyd: apart from the full Executive Board, only two members of the Executive Board acting jointly may represent Delta Lloyd instead of one member acting independently (see *old* article 20.1).
- It is proposed to include that general meetings may not be held only in Amsterdam but also in The Hague (see *new* article 32).
- It is proposed to delete references to Euronext Amsterdam N.V. in order to reflect recent changes in Dutch law and regulations (see *old* articles 46.3 and 46.5).
- As a result of the proposed amendments of Proposal I, a number of articles are renumbered and references are updated accordingly.

This may be expressed in a percentage of the issued capital. On such designation the term of the designation shall be determined, which may not exceed five years. The designation may be extended, from time to time, for a period not exceeding five years. Unless the designation provides otherwise, it may not be withdrawn.

Shares shall never be issued below par, without prejudice to the provisions laid down in Section 2:80, subsection 2 of the Dutch Civil Code.
- 6.7 If it has been announced what amount will be issued and only a lower amount will be subscribed, such lower amount will only be subscribed if this is explicitly determined by the conditions of the issue.

Article 7. Pre-emptive rights.

- 7.1 Upon issuance of Ordinary Shares, each holder of Ordinary Shares shall have a right of pre-emption in proportion to the aggregate nominal value of its

Ordinary Shares. He shall not have a pre-emptive right upon the issuance of Preference Shares A.

Furthermore, he will not hold a pre-emptive right to Shares to be issued against a contribution other than in cash, or to Shares which are issued to employees of the Company or of a Group Company.

- 7.2 With due observance to the provisions of this Article 7, the General Meeting shall at the time of the resolution to issue Shares determine the manner in which and the period during which the pre-emptive right may be exercised. If the Executive Board is designated as the body competent to issue Shares, such shall be determined by the Executive Board.

- 7.3 Pre-emptive rights may be limited or excluded pursuant to a resolution of the General Meeting. In the proposal in respect thereof, the reasons for the proposal and the selection of the intended issue price shall be explained in writing.

References preceded by the term ‘*new*’ are references to articles of the Articles of Association as they are proposed to read after the amendment of the Articles of Association in accordance with this Proposal II.

- It is proposed that, if and when the Shares are delisted, Delta Lloyd will replace the provisions that are mandatory or typical for listed companies but do not apply to or are less suitable for a non-listed entity. In addition, it is proposed that the authorized capital will still provide for preference shares A, provided however that if at the time of delisting no preference shares A are outstanding, the separate class of preference shares A and all reference to such Shares will be removed from the Articles of Association prior to the execution of the relevant deed of amendment in relation to Proposal I (see *old* articles 7.3, 8.3., 12.2, 17.3, 18.7, 30.1, 30.2, 31.1, 31.3, 31.5, 31.6, 31.7, 34.1, 35.2, 35.3, 35.6, 35.7, 39.3, 39.7, 39.9, 40, 41, 42.2 and 42.9, and see *new* articles 27.1, 31, 33.2 and 34).
- It is proposed to reflect that Shares remain included in the Statutory Giro System of the Securities Bank Giro Transaction Act but are no longer listed (and traded) via the platforms of Euronext Amsterdam and Euronext Brussels, and in relation thereto to delete any reference to Deposit Shares and holders of such shares, Euroclear Netherlands and Intermediary (see *old* articles 1.1, 5, 6.2, 6.8 and 36.3).
- It is proposed that all references to the Supervisory Board in the Articles of Association will for the time be included in a transitory provision that only forms part of the Articles of Association *until* the two continuing members of the Supervisory Board have been appointed to the supervisory board of NN Group in accordance with the agreements about the corporate governance between NN Group and Delta Lloyd as described in the Offer Memorandum and the Position Statement. It is being proposed that following such appointments, the Supervisory Board within Delta Lloyd will automatically be deleted (see *old* articles 1.1, 1.4, 7.1, 8.2, 8.4, 9.2, 11.1, 12.6, 15.1, 17.3, 18.4 through 18.7, 18.9, 19.1, 19.2, 19.3, 21.1, 21.2, 22.1, 22.2, 23 through 29, 30.1, 30.2, 31.1, 31.4, 33, 37.5, 39.4, 39.5, 39.10 and 45.1, and see *new* article 17.4).
- As a result of the proposed amendments of Proposal II, a number of articles are renumbered and references are updated accordingly.
