Restrictions

The Offer is being made in the Netherlands with due observance of the statements, conditions and restrictions included in the Offer Memorandum. Klépierre reserves the right to accept any tender under the Offer, which is made by or on behalf of a Shareholder, even if it has not been made in the manner set out in this Offer Memorandum.

The distribution of the Offer Memorandum and/or the making of the Offer in jurisdictions other than the Netherlands may be restricted or prohibited by law. The Offer is not being made, and the Shares will not be accepted for purchase from any Shareholder, in any jurisdiction in which the making of the Offer or acceptance thereof would not be in compliance with the securities or other laws or regulations of such jurisdiction or would require any registration, approval or filing with any regulatory authority not expressly contemplated by the terms of the Offer Memorandum. Persons obtaining the Offer Memorandum are required to take due note and observe all such restrictions and obtain any necessary authorizations, approvals or consents (to the extent applicable). Outside of the Netherlands, no actions have been or will be taken to make the Offer possible in any jurisdiction where such actions would be required. In addition, the Offer Memorandum has not been filed with or recognized by the authorities of any jurisdiction other than the Netherlands. Neither Klépierre, nor Corio, nor any of their advisors accept any liability for any violation by any person of any such restriction. Any person (including, without limitation, custodians, nominees and trustees) who forwards or intends to forward the Offer Memorandum or any related document to any jurisdiction outside the Netherlands should carefully read Section 2 (Restrictions) and Section 3 (Important information) of the Offer Memorandum before taking any action. The release, publication or distribution of the Offer Memorandum and any documentation regarding the Offer or the making of the Offer in jurisdictions other than the Netherlands may be restricted by law and therefore persons into whose possession the Offer Memorandum comes should inform themselves about and

observe such restrictions. Any failure to comply with any such restriction may constitute a violation of the law of any such jurisdiction.

United States of America

The Transactions will result in the acquisition of securities of a Dutch company and are subject to Dutch disclosure requirements, which differ from those of the United States. The financial information included or referred to herein has been prepared in accordance with non-U.S. accounting standards and, accordingly, may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The Offer will be made in the United States pursuant an exemption from the U.S. tender offer rules provided by Rule 14d-1(c) under the U.S. Securities Exchange Act of 1934, as amended (the "U.S. Securities Exchange Act"), and the issuance of Shares in the Transactions will be pursuant to an exemption from registration provided by Rule 802 under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act"), and the Transactions will otherwise be made in accordance with the applicable regulatory requirements in the Netherlands. Accordingly, the Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that are different from those applicable under U.S. domestic tender offer procedures and law.

It may be difficult for U.S. holders of Shares to enforce their rights and any claims arising under the U.S. federal securities laws, since Klépierre and Corio are located in a country other than the United States, and some or all of their officers and directors may be residents of a country other than the United States. U.S. holders of Shares may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

In accordance with standard Dutch practice and pursuant to Rule 14e-5(b) of the U.S. Securities Exchange Act, Klépierre or its nominees, or its brokers (acting as agents), or affiliates of Klépierre's financial advisors, may from time to time make certain purchases of, or arrangements to purchase, Shares outside of the United States, other than pursuant to the Offer, before or during the period in which the Offer remains open for acceptance. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Information about such purchases will be announced by press release in accordance with Article 13 of the Decree and posted on the website of Klépierre at (www.klepierre.com).

The Shares have not been registered in, and will not be registered with any securities regulatory authority of, any state or other jurisdiction of the United States, including the District of Columbia, Puerto Rico and Guam. Accordingly, any Shareholder in any jurisdiction of the United States may tender Shares under the Offer only if such Shareholder qualifies as an exempt investor meeting the applicable definition as set out in Section 21 of the Offer Memorandum (Exempt investors in U.S. Jurisdictions).

Canada and Japan

The Offer and any solicitation in respect thereof is not being made, and will not be made, directly or indirectly, in or into Canada or Japan, or by use of the mails, or by any means or instrumentality of interstate or foreign commerce, or any facilities of a national securities exchange, of Canada or Japan. This includes, but is not limited to, post, facsimile transmission or any other electronic form of transmission and telephone. Accordingly, copies of the Offer Memorandum and any related press announcements, acceptance forms and other documents are not being sent and must not be mailed or otherwise distributed or sent in, into or from Canada or Japan or, in their capacities as such, to custodians, nominees or trustees holding Shares for persons residing in Canada or Japan. Persons receiving the Offer Memorandum and/or such other documents must not distribute or send them in, into or from Canada or Japan, or use such mails or any such means, instrumentality or facilities for any purpose in connection with the Offer; so doing will invalidate any purported acceptance of the Offer. Klépierre will not accept any tender by any such use, means, instrumentality or facility from within Canada or Japan.

Tender and transfer of Shares constitute a representation and warranty that the person tendering the Shares (i) has not received or sent copies of the Offer Memorandum or any related documents in, into or from Canada or Japan and (ii) has not otherwise utilized in connection with the Offer, directly or indirectly, the mails or any means or instrumentality including, without limitation, facsimile transmission and telephone of interstate or foreign commerce, or any facility of a national securities exchange of, Canada or Japan. Klépierre reserves the right to refuse to accept any purported acceptance that does not comply with the foregoing restrictions, and any such purported acceptance will be null, void and without effect.
